DESCR.

Why we love it...

(besides the fact that it's all round and bubbly looking)

You can't help but smile when you set your eyes on Maggie May. With its playful shape and intricate detailing, this lamp adds a jolt of personality wherever it goes. Imagine how a pair would dress up those side tables next to your bed!

NOTES:

Ed. Elements
of Design

Elements of Design was created out of the desire to provide customers with a consciously curated, globally-inspired collection of pieces that made people feel less like they were simply purchasing products, but rather, evoke the feeling that they were collecting treasures; all of which have been tastefully produced in Los Angeles...and all around the world.
