SLEEPYTIME ROCKER

Instruction Manual

Nursery Works is a purveyor of cutting-edge juvenile products. Created for the ultra-chic, Nursery Works aims to bring high design into the nursery. Our designers work, whenever possible, in close collaboration with highly skilled American craftspeople to build each piece. Our products are made in low production runs that allow us to employ methods and materials that would be unavailable in typical mass production. We take pride in presenting new materials to the children's industry that raise the bar in design, quality, and functionality for parents and babies around the world.

THE PRODUCT AND MANUFACTURING PROCESS

With each product, Nursery Works strives to explore new materials and processes, including non-toxic, recyclable acrylic, CNC-milled maple, 24K gold-plated aluminum, custom marble/granite and powder-coated stainless steel. In addition, many of our solid wood cribs are bench-made in small local shops in the United States using traditional joinery techniques that cannot be accomplished in mass production. For other cribs, we employ precise CNC milling that allows us to realize designs that were previously unimaginable. This combination of the latest fabrication technology with traditional techniques and our cutting-edge designs is unique to Nursery Works. Low- and no-VOC finishes are used across all our products and our products are tested to governmental standards on an annual basis.

Please note that due to the handcrafted nature of our products and our use of solid woods, each piece is unique and may possess color variations and irregular wood grain or surface texture. These natural characteristics are part of the beauty of real wood, are not considered manufacturing defects and do not merit replacements.

MAINTENANCE AND CLEANING

For our upholstered products, we recommend using a light foam cleaner on the fabric. Avoid placing the furniture in direct sunlight or near a heating or air conditioning vent.

Touch up kits are available upon request by contacting Nursery Works at: 323 728 8988 or (info@nurseryworks.net).

IMPORTANT NOTE

Improper assembly can result in damage to your furniture or cause harm to your child. Proper assembly is critical to ensure a safe and comfortable end result. Please read all instructions before assembly and keep instructions for future use.

Thank you for purchasing Nursery Works. For any questions or assistance, please contact us at 323-688-3678, or via email at info@nurseryworks.net. For additional information on our Purchase Terms and Conditions, please visit www.nurseryworks.net. Your authorized Nursery Works retailer will also be happy to assist you.

WARNING

- Read all instructions before assembling this product.
- Keep instructions for future use.
- Failure to follow these warnings and the assembly instructions could result in serious injury or death.
- Check this product regularly before using it and do not use if any parts are loose or missing or if there are any signs of damage. Do not substitute parts. Contact **Nursery Works** if replacements or additional instructions are needed.
- Do not throw away packaging material until assembly is complete.
- Properly discard all packaging materials after assembly is complete.
- This product has many moving parts, serious injury can occur if not used properly. Keep hands, fingers and body parts away from the mechanism. To reduce the risk of head entrapment and other injuries, keep children and pets away from openings and moving parts in and around furniture.
- This product contains small parts. Keep small parts out of children's reach during assembly.
- If refinishing, use a non-toxic finish specified for children's products.
- Proper assembly of this item requires 2 people.
- Maximum weight capacity: 300 pounds.

ONE YEAR LIMITED WARRANTY

We will replace any missing parts at the time of purchase or any defective item within a one year period from the date of original purchase. Please keep your receipt so that we may process your warranty request. This warranty only covers new units with original packaging and ownership, and is not transferable. It does not cover any used, secondhand or demo models.

This warranty does not cover any damaged or defective parts that result from installation and assembly, normal wear and tear, abuse, negligence, improper use or alteration to the finish, design, and hardware of the rocker. The specific legal rights of this warranty may vary from state to state. Some states do not allow any exclusion or limitation of incidental damages. Some states do not allow limitation on how long an implied warranty lasts.

Registering your product is even easier than before! You can register your product on our website at: www.nurseryworks.net.

cushion.**

SLEEPYTIME ROCKER

Assembly Instructions

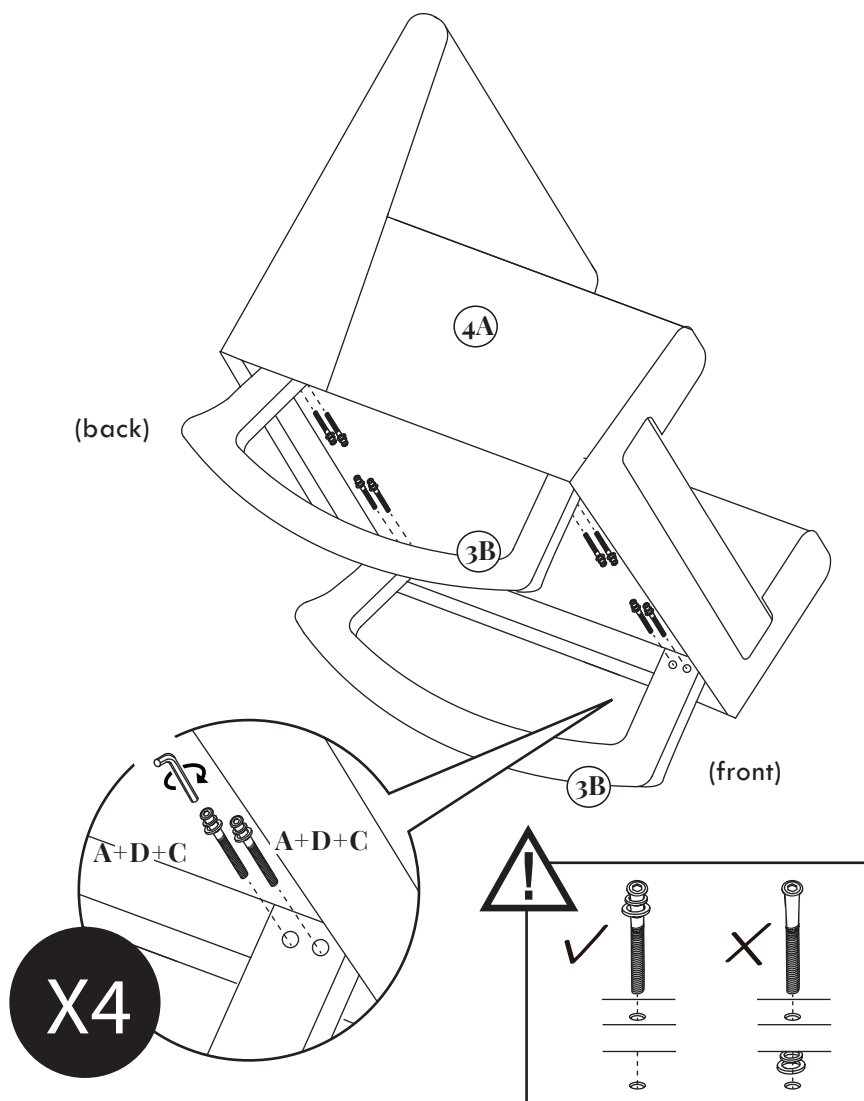

You will need two people to assemble this product.

Step 1

Put the Spring Washer **D** into Screw **A** and then followed by Washer **C**. Repeat the same procedures for all 8 Screws **A**.

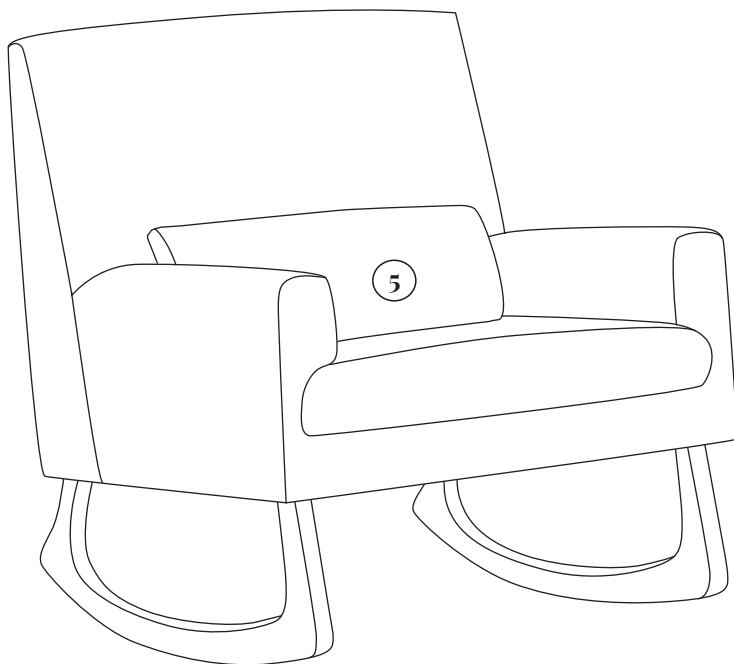

Step 2

Connect the Legs (3B) to the wooden frame of the rocker by inserting Screws A, Spring Washer D and Washer C into the pre-inserted nuts of the wooden frame and screw them tightly using the Allen Wrench H.

Repeat the same procedures for 4 corners.

Step 3

Assembly is complete.
