SURFACE MOUNT LED

Lampart Australasia

LAZER MENADA SURFACE MOUNT LED

Product Name	Lazer Menada Surface Mount LED
Type	LED Surface Mount
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser
Accessories (Optional)	LED Suspension Kit available to suit aluminium profile

Item No.	Length	Outer Dimensions (W x H)
LAZER30x30/ SM-LED	• LED extrusion can be supplied in different lengths to suit any project requirement • Max length with no joins is a 6m extrusion • **Custom lengths available to suit individual project requirements**	30mm x 30mm 
Single Module Size 560mm

6m continuous extrusion with no visible joins

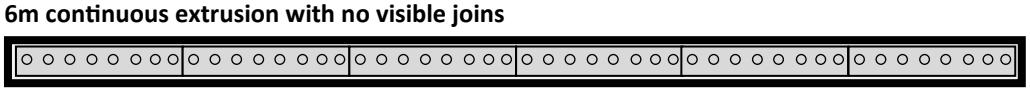
Lampart Australasia

LAZER MENADA SURFACE MOUNT LED

Product Name	Lazer Menada Surface Mount LED
Type	LED Surface Mount
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser
Accessories (Optional)	LED Suspension Kit available to suit aluminium profile

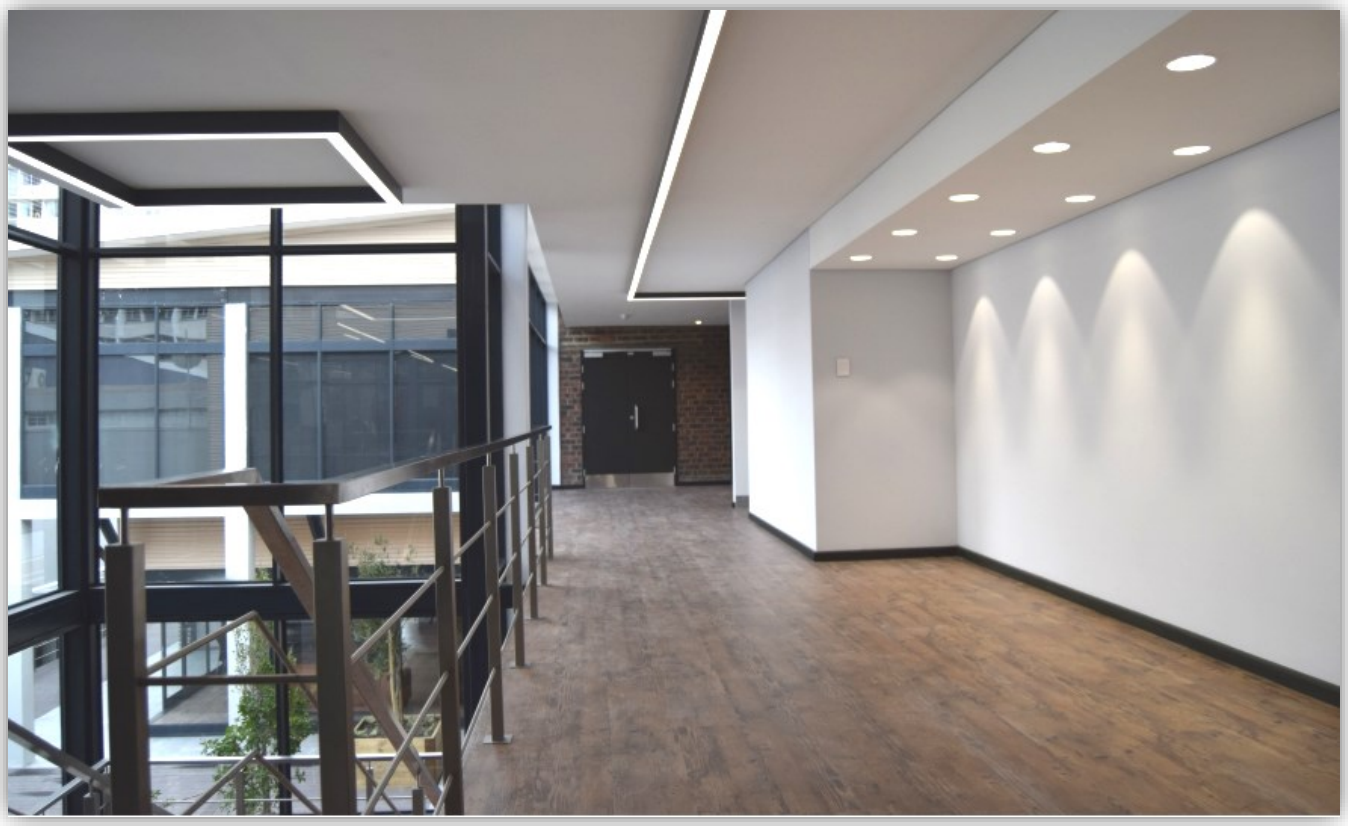
Item No.	Length	Outer Dimensions
LAZER30x45/ SM-LED	• LED luminaire can be supplied in different lengths to suit any project re-quirement • Maximum 6m length with no visible joins Australian made • **Custom lengths available to suit individual project requirements**	30mm x 45mm 
Single Module Size 560mm

6m continuous extrusion with no visible joins



Lampart Australasia

LAZER MENADA SURFACE MOUNT LED



Product Name	Lazer Menada Surface Mount LED
Type	LED Surface Mount Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser
Accessories (Optional)	LED Suspension Kit available to suit aluminium profile

Item No.	Length	Outer Dimensions (W x H)
LAZER60x70/ SM-LED	• LED extrusion can be supplied in different lengths to suit any project requirement • Max length with no joins is a 6m extrusion • **Custom lengths available to suit individual project requirements**	60mm x 70mm 
Single Module Size 560mm

6m continuous extrusion with no visible joins

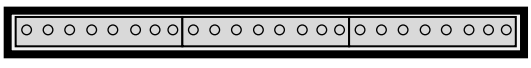
Lampart Australasia

LAZER MENADA SURFACE MOUNT LED

Product Name	Lazer Menada Surface Mount LED
Type	LED Surface Mount
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser
Accessories (Optional)	LED Suspension Kit available to suit aluminium profile

Item No.	Length	Outer Dimensions (W x H)
LAZER60x90/ SM-LED	• LED luminaire can be supplied in different lengths to suit any project re-quirement • Maximum 3m length with no visible joins Australian made • **Custom lengths available to suit individual project requirements**	60mm x 90mm 
Single Module Size

3m continuous extrusion with no visible joins

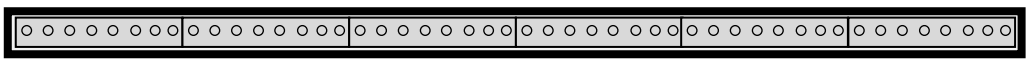


LAZER MENADA SURFACE MOUNT LED

Product Name	Lazer Menada Surface Mount LED
Type	LED Surface Mount
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser
Accessories (Optional)	LED Suspension Kit available to suit aluminium profile

Item No.	Length	Outer Dimensions
LAZER80x90/ SM-LED	• LED extrusion can be supplied in different lengths to suit any pro-ject requirement • Max length with no joins is a 6m extrusion • **Custom lengths available to suit individual project requirements**	80mm x 90mm 
Single Module Size 560mm

6m continuous extrusion with no visible joins



LAZER MENADA SURFACE MOUNT LED

Product Name	Lazer Menada Surface Mount LED
Type	LED Surface Mount
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser
Accessories (Optional)	LED Suspension Kit available to suit aluminium profile

Item No.	Length	Outer Dimensions (W x H)
LAZER90x90/ SM-LED	• LED luminaire can be supplied in different lengths to suit any project requirement • Maximum 3m length with no visible joins Australian made • **Custom lengths available to suit individual project**	90mm x 90mm 
Single Module Size 560mm

3m continuous extrusion with no visible joins

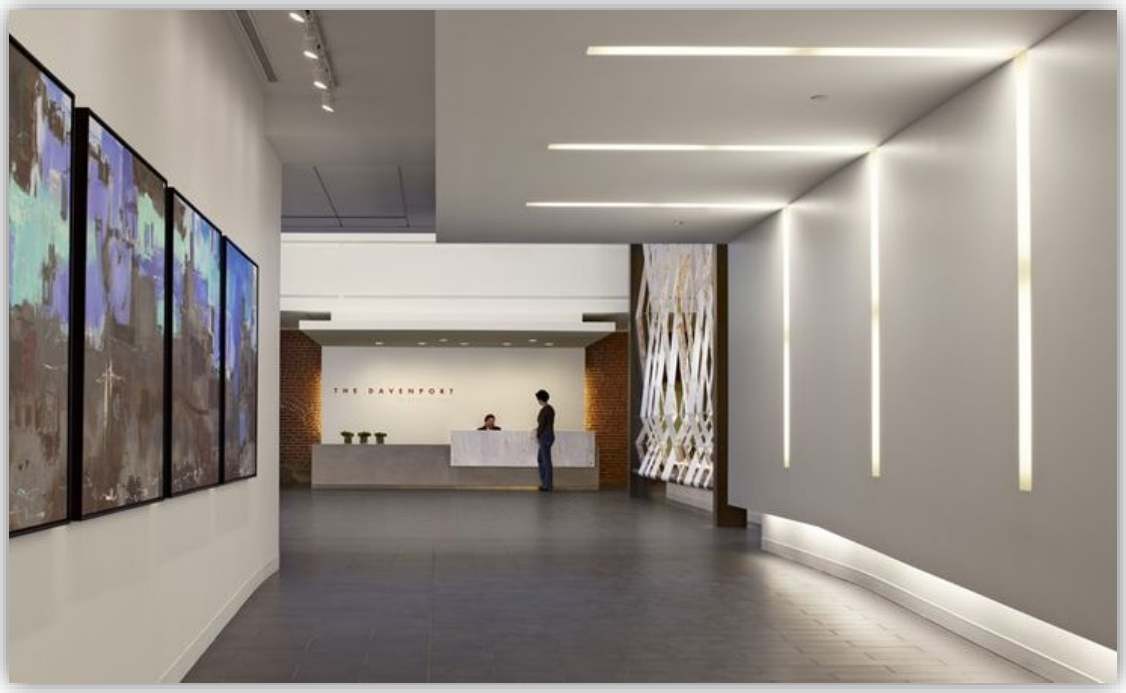
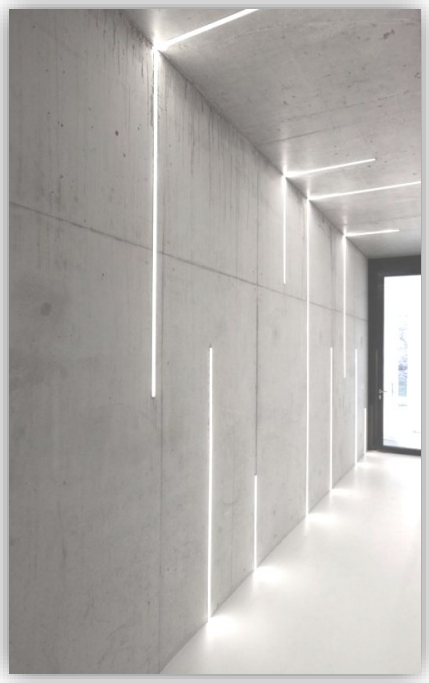
LAZER MENADA

RECESSSED LED

Lampart Australasia

LAZER MENADA RECESSED LED





Product Name	Lazer Menada Recessed LED
Type	LED Recessed
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser

Item No.	Length	Outer Dimensions
LAZER60x90/ R-LED	• LED luminaire can be supplied in different lengths to suit any project re-quirement • Maximum 3m length with no visible joins Australian made • **Custom lengths available to suit individual project requirements**	60mm x 90mm 
Single Module Size 560mm

3m continuous extrusion with no visible joins

LAZER MENADA RECESSED LED

Product Name	Lazer Menada Recessed LED
Type	LED Recessed Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser

Item No.	Length	Outer Dimensions (W x H)
LAZER90x90/ R-LED	• LED luminaire can be supplied in different lengths to suit any project requirement • Maximum 6m length with no visible joins Australian made • **Custom lengths available to suit individual project requirements**	90mm x 90mm 
Single Module Size 560mm

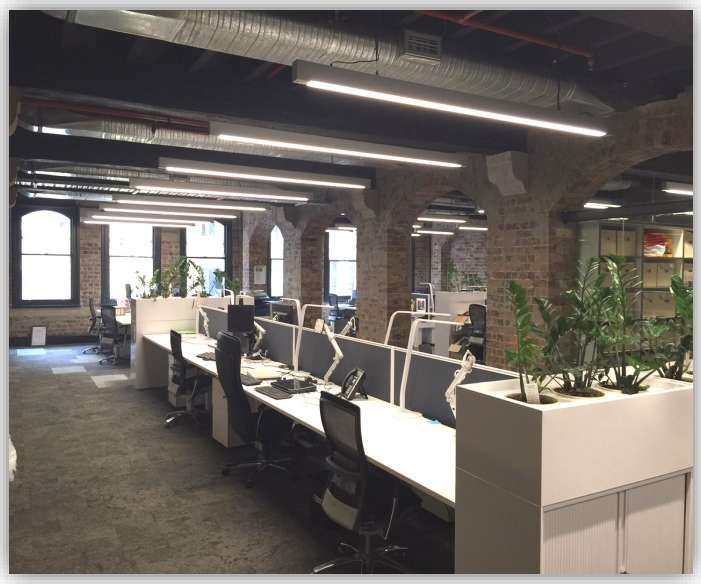
6m continuous extrusion with no visible joins

Lampart Australasia

LAZER MENADA

SUSPENDED LED

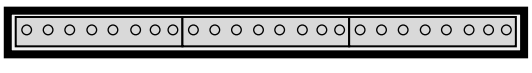
LAZER MENADA SUSPENDED LED



Product Name	Lazer Menada Suspended LED
Type	LED Suspended
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to "Dulux" colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser

Item No.	Length	Outer Dimensions (W x H)
LAZER60x90/ SP-LED	• LED luminaire can be supplied in different lengths to suit any project re-quirement • Maximum 3m length with no visible joins Australian made • **Custom lengths available to suit individual project requirements**	60mm x 90mm 
Single Module Size 560mm

3m continuous extrusion with no visible joins



LAZER MENADA SUSPENDED LED

Product Name	Lazer Menada Suspended LED
Type	LED Suspended
Colour	Aluminium extrusion available in Anodised finish, White, Black or can match to “Dulux” colour range (additional charges apply)
Colour Temperature	830 warm white, 840 cool white, 865 day light
Description	Architectural design for Commercial and Domestic buildings 1.2m stainless steel wire Osram modular High-Efficiency LED technology Dali-Dimmable Control Gear ICE diffuser

Item No.	Length	Outer Dimensions (W x H)
LAZER90x90/ SM-LED	• LED luminaire can be supplied in different lengths to suit any project requirement • Maximum 3m length with no visible joins Australian made • **Custom lengths available to suit individual project requirements**	90mm x 90mm 
Single Module Size 560mm

3m continuous extrusion with no visible joins
