# Every Dad Would Love to Have

**Bryce Gruber**

Updated: Jun. 07, 2021

Instead of giving Dad yet another tie or collared shirt this Father's Day, get him something he'll really love. These gift ideas will show that you really took the time to think about him.

*Every editorial product is independently selected, though we may be compensated or receive an affiliate commission if you buy something through our links.*

## Surefire hits for Father's Day

Dad always puts the family first, so making him feel extra special and loved on Father's Day should be a top priority. He's there for support, encouragement, strength, and wisdom even when it's hard—which is exactly why the holiday was invented, and an important piece of the [history of Father's Day](#) in America. How can you say “I love you” in a tangible way? With an amazing gift from this Father's Day gift guide that will seem tailor-made for him, of course!

Whether you're looking for the perfect gift for a [new dad](#), a [Grandpa](#), or the [dad who just wants to laugh](#), there's something here for every kind of father

## For the Dad with Lots of Fans: Tribute Video

Forget about making dad's day, you'll make his year when you present him with a collaborative video montage from Tribute. The company makes it simple; all you have to do is sign up, share the custom URL for your project, then recruit family members and friends to submit videos and photos. You can DIY it using Tribute's software (\$25) or sign up for concierge services (\$99) and they'll do the work for you; for \$175 you'll get a 7-inch video card that you can present dad on the big day. Bring tissues!

## For the well-heeled dad: Harmony783 Men's Brown Leather Driver

Harmony783 wants you to know about their patent-pending grounding technology that runs pure silver thread through the midsoles and footbeds of all their shoes to send natural energy up into the body. But fans of the soft full-grain leather and cushy padded memory foam in these dress-casual slip-ons rave about the incredible comfort, great fit, and high quality. One reviewer notes: "I wore the drivers right out of the box to work. I do a lot of walking and I was not fatigued at all! I even got a compliment from a co-worker. These shoes have now become my favorite!" Comes in sizes 7-15.
