Father's Day Favorites

Harmony 783 shoes are made to get grounded with the Earth.

Father's Day is Coming...Here are some gift ideas

We all know that some years, it's just the same old same old, ties, booze, maybe a new grill. But this year, we've come up with more ideas, things you might not have thought about, to really make him feel special.

Harmony 783: Super Cool Suede Joggers for

outdoors.

All Harmony783 styles feature fully conductive carbon and rubber outsoles that are bio-mechanically engineered for comfort and support. Our patent-pending technology, called Groundworks™, features

3% pure silver through the midsoles with microfiber footbeds, used in every shoe, stitched with pure silver thread enabling the flow of natural energy up into one's body.

Experience superior style and comfort, featuring padded silver-lined insoles, plus added arch and heel support. (Suede brush finish).

Take Your Camera Outside, Have No Fear of Rain with Canope

Canope is the world's first patented, hands-free, wind-resistant new weather protection device/umbrella. It is a 21st-century backpack style worn covering for all-weather protection; rain, wind, and sun all in one.

It is impossible to invert with its smart aerodynamic design where wind flows over, through, and around.

Parents Need Diaper Bags Too! Class it Up with Lulibebé

Monaco Diaper bag line by Luli Bébé was designed with function, and style, in mind. Available in two sizes—Monaco and Petit Monaco—the soft vegan faux leather texture is gorgeous and easy to work with.

Worn as a backpack or a shoulder/crossbody bag, with clips provided to attach to it to a stroller, this diaper bag is versatile and beautiful. Ideal for every day or traveling with little ones.

The exterior design and elegant colors make this diaper bag look sophisticated, with shades of Ebony Black, Pearl White, Stone Grey, Blush Pink, Latte Brown and Caramel.

LumiCharge LD: A Light and So Much More!

Travel Lightly with the attractive LumiCharge-LD. They thought of everything when they developed this lamp/charger/Bluetooth speaker and it's perfect for traveling. When paired with Alexa and Google you can talk to your lamp!

The dimmable lamp also has a cradle for fast wireless charging or a USB plug-in the back or use both. The Bluetooth speaker can be used for your "smart" phone or to listen to music. A micro-SD card slot and 3.5 mm audio input is also included.

With three ambient colors (bright white, soft white, and soft incandescent yellow) the lighting can be adjusted by brightness depending on your mood or environment

ManMade Skin Care: Give Your Face a Break

The Refresher:

Whether you have dry or oily skin, it's a consequence of your face not having enough moisture.

Regardless, the Refresher, our all-in-one moisturizer, is made for you.

It's made with a naturally formulated gel that doesn't foam up and get in your eyes and also helps smooth out your skin, retain moisture

One of the most important features is the use of Mica which gives you a healthy glow while protecting your face from harmful rays and pollution and can even help reduce any signs of sunburn.

The Re(Set):

Re(Set) collection is water-based and uses all-natural ingredients (and is even Vegan Society certified) to protect your skin in giving a good first impression.

Each product is powerful and effective in its own right, the use of them together as part of your daily routine will dramatically improve your appearance while increasing your confidence.

Trendhim Classic Blue Canvas Belt: Stylin!

This classic blue belt is made from an elastic canvas material woven tightly together to fit comfortably and keep your pants exactly where you want them. I like that this belt has no holes, you can just hook it in anywhere on the belt. For those

of us whose waistline fluctuates, this is good.

Finished with faux leather trim for added durability. The silver-toned buckle can lock anywhere along with the fabric, for maximum comfort.
