BULLYING

Have you heard of **BULLYING**?

BULLYING is hurtful behavior!

A **person** who does mean things to someone else is called a bully. The person whose feelings are getting hurt is called the victim.

It is never ok to hurt someone else. Everyone is different, and that's what makes each of us so special! We need to be kind to others because we want others to treat us with kindness too!

SOME THINGS BULLIES DO ARE:

- Call others mean names
- Make mean faces at others
- Push others aside
- Hit others
- Do not share with others
- Does not let everyone be their friend
- Laughs at others

Can you think of some other things that bullies do to others that are not nice?

Here are SOME things YOU CAN DO when YOU SEE someone being a BULLY:

1. Tell the bully to stop doing whatever mean act he or she is doing.
2. If the bully does not stop, ask the teacher for help.
3. Help the kid with hurt feelings.
4. Ask the kid with hurt feelings to come be your friend and play with you.

Tell your friends about these steps so that they know how to stop bullies too. Tell your parents too! They will want to help stop bullying as well.

CHARACTER

CHARACTER TRAITS are an important part of WHO WE ARE!

- ★ Character traits help us become a better person.
- ★ Your character is determined by what you do and the choices you make.
- ★ It is important to choose to do the right thing, even when it is hard or scary.

If you choose to do the right thing, you will feel better about yourself, and other people will look up to you for being a person with good character.

We are going to look at the following character traits:

CARING, COURAGE, HONESTY, RESPECT, RESPONSIBILITY, AND CITIZENSHIP.

Being **CARING** is one of the most important character traits. Caring shows others they are important to you. Here's an example:

- Sharing your toys with others.
- ★ Write about another way that you can show this character trait:

HONESTY means telling the truth and keeping your promises. Show honesty by:

- Admitting when you have done something wrong and trying to make it right again.
- ★ Write about another way that you can show this character trait:

COURAGE is the strength to do what is right, even if it is hard. Show others your courage:

- ★ Write about another way that you can show this character trait:

RESPECT is understanding that other people deserve to be treated the same way that you like to be treated. If you treat others with kindness, they are more likely to treat you with kindness too! Show others respect by:
