

Student Planners Make the Difference!

SUCCESS
by Design, Inc.

3741 Linden Ave. S.E., Wyoming, MI 49548

SUBJECT: Sole Source Provider

Dear Student Planner Buyer,

We at Success by Design know that those who embrace STEM focused learning as a life's career, will drive innovation and competitiveness by generating new ideas and new industry to tackle the most complex problems!

Success by Design develops and delivers services and materials to increase age-appropriate STEM focused awareness in Science, Technology, Engineering and Math subjects.

Purchase of this resource is only available directly through Success by Design, which is the sole source provider for STEM Student Planners; they are copyright protected material.

We look forward to working with you and helping your school and/ or district incorporate our STEM Student Planners into all of your educational activities.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Kramer".
