

Reversible Signs

Model Magnet Flip

Set contains 1 magnetic reversible sign & 1 metal backboard

High quality backboard for wall, door etc.

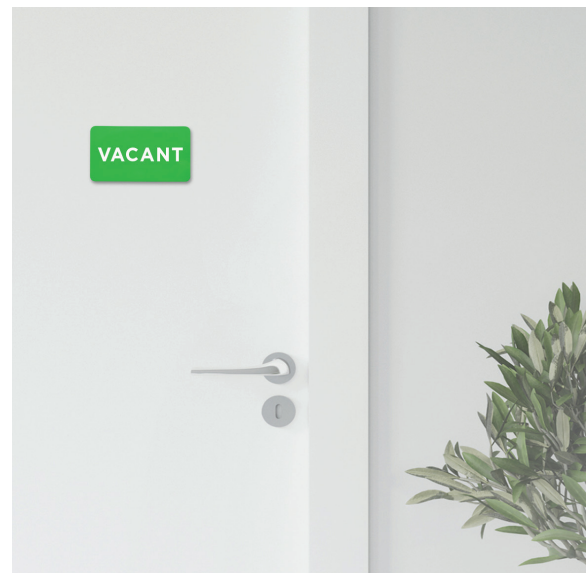

Custom designs are possible High quality 3M adhesive rear

Advantages of the reversible SynMe Magnet Flip Signs

- Simple, clever and economical solution
- Reversible sign with magnets implemented in the middle and print on both sides
- Metal base unit with the adhesive rear attached to the desired surface (door, wall, etc.)
- Simply detach the reversible sign, turn and re-attach to the metal base
- Large, easy readable letters
- Dimensions: 90 mm x 50 mm
- Cardboard sign covered in high-quality transparent coating for long-lasting durability
- Discounted value packs available
- Custom designs are welcome

Application:

Waiting rooms, hospitals, conference rooms, laboratories, doctors/physio practices, schools, kitchens, assembly lines in factories, massage salons, meeting rooms and many more!

Individually for your purposes:

We can also custom design the sign for your individual purposes.
