Connect The Dots

Count the pieces of candy corn. Draw a line from each group of candy to the bucket with the correct number on it.

Count the numbers under each candy corn. Then write the number that should come next in the circle provided.

Cut out the puzzle along the black outline and then cut each piece apart. Have student glue the piece onto the template provided on page 23 in the correct order.

Cut puzzle pieces apart and allow student to match them up.

Printing suggestion: Print on cardstock.

Laminating cards will give them added durability.
