What is an Activity Book, anyway??

This is an activity book that is designed to provide some fun during this holiday time! You'll find different types of activities and coloring pages for ages Kindergarten through "about" 4th grade. Most pictures are in black and white, so that your student may color them and create images of their own. This activity book also includes a few notebooking pages, in case you want to have your child write stories, resolutions, or just practice handwriting on themed paper. Hopefully, this will make writing less of a "chore."
