This book is dedicated to my amazing family. Thank you to my wonderful husband, Scott, who ate a lot of leftovers, listened to a lot of whining (from me!), and sent lots of positive energy my way. Thank you to my daughter, Shelby, who truly inspired me through her love for learning. Thank you to my parents, Judy and Billy Trout, who taught me to trust in my abilities and to never give up.

This is an activity book that is designed to provide some fun during this holiday time! You'll find different types of activities and coloring pages for ages Pre-School through "about" 3<sup>rd</sup> grade. Most pictures are in black and white, so that your student may color them and create images of their own.

Many websites were used in the research and creation of this activity book. Each was used with permission. These websites include:
