## ***What is “copywork,” and how do I use it in my child’s education?***

Copywork is a great way to teach your children. By copying passages from Great Works of literature or history, song lyrics or fairytales, children learn many areas of Language Arts. Children have the opportunity to be exposed to great writers or historical events, while learning Spelling, Punctuation, Grammar, Vocabulary, and Creative Writing from the “Masters.” Most Classical Education programs recommend copywork as an intricate part of educating your children, quite often in place of many of the traditional Language Arts programs listed above.

By copying passages 2-3 days per week (or more), your children will come to learn and possibly even memorize some of the greatest literature from our history. While penmanship is important, the knowledge that they are gaining through the copywork is what is most important.

However, do encourage your children to take pride in their penmanship. Also, instruct them in the importance of the “art” of Spelling, Punctuation, Vocabulary, Grammar, and Creative Writing. With some practice, they will begin to “imitate” these in their own personal writing.

## ***How do I use THIS notebook?***

Inside this book, you will find songs from the movie FROZEN. The songs are provided in their entirety.

The songs are broken into 46 “bite-sized” pieces so that there is a section to copy at each session. Have your child/children read each section, and think about/discuss what it means. Have your child/children copy that section, using his or her best penmanship. At twice per week, this notebook will last for 23 weeks. At three times per week, it will last a little more than 15 weeks. Many parents choose to have their children do copywork daily, in which case, this notebook will last for 46 school days.

This copywork is an excellent companion to our FROZEN lapbook, as some of the songs are within the lessons of the lapbook.

Do you wanna build a snowman?

Do you wanna build a snowman?  
Come on lets go and play  
I never see you anymore  
Come out the door  
It's like you've gone away-  
We used to be best buddies  
And now we're not  
I wish you would tell me why!-  
Do you wanna build a snowman?  
It doesn't have to be a snowman.

Do you wanna build a snowman?  
Or ride our bikes around the halls  
I think some company is overdue  
I've started talking to  
the pictures on the walls-  
(Blang in there, Joan!)  
It gets a little lonely  
All these empty rooms,

Just watching the hours tick by-  
(Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock)

Please, I know you're in there,  
People are asking where you've been  
They say "have courage", and I'm trying to  
I'm right out here for you, just let me in  
We only have each other  
It's just you and me  
What are we gonna do?

Do you wanna build a Snowman?

Do you wanna build a snowman?  
Come on lets go and play  
I never see you anymore  
Come out the door  
It's like you've gone away
