The purchaser of the eBook or CD is licensed to copy this information for use with the immediate family members only. If you are interested in copying for a larger group, please contact the publisher.

Printed, assembled, and kit formats are not to be copied and are consumable. They are designed for one student only.

All information and graphics within this product are originals or have been used with permission from its owners, and credit has been given when appropriate. These include, but are not limited to the following: www.iclipart.com, Thinkstock Photos, Paula Kim, Graphics Factory, and illustrations from the book American Girl: Meet Addy.

How Do I Get Started?

First, you will want to gather your supplies. Depending on which format you purchased from us, you will need different supplies. So, take what applies, and skip over the rest.

*** Printing:

*Print instructions and study guide on white copy paper.

*Print the booklet templates on 24# colored paper or 110# cardstock. For some booklets, we have suggested specific colors or cardstock. You may choose to use those suggested colors, or you may choose to print on any color that you like.

*** Assembly:

*Folders: We use colored file folders, which can be found at Walmart, Sam's, Office Depot, Costco, etc. You will need between 2 and 4 file folders, depending on which product you have purchased. You may use manilla folders if you prefer, but we have found that children respond better with the brightly colored folders. Don't worry about the tabs....they aren't important. If you prefer, you can purchase the assembled lapbook bases from our website.

*Glue: For the folder assembly, we use hot glue. For booklet assembly, we use glue sticks and sometimes hot glue, depending on the specific booklet. We have found that bottle glue stays wet for too long, so it's not a great choice for lapbooking.

*Other Supplies: Of course, you will need scissors. Many booklets require additional supplies. Some of these include metal brad fasteners, paper clips, ribbon, yarn, staples, hole puncher, etc. You may want to add decorations of your own, including stickers, buttons, coloring pages, cut-out clipart, etc. The most important thing is to use your imagination! Make it your own!!

Ok. I've Gathered the Supplies. Now How Do I Use This Product?

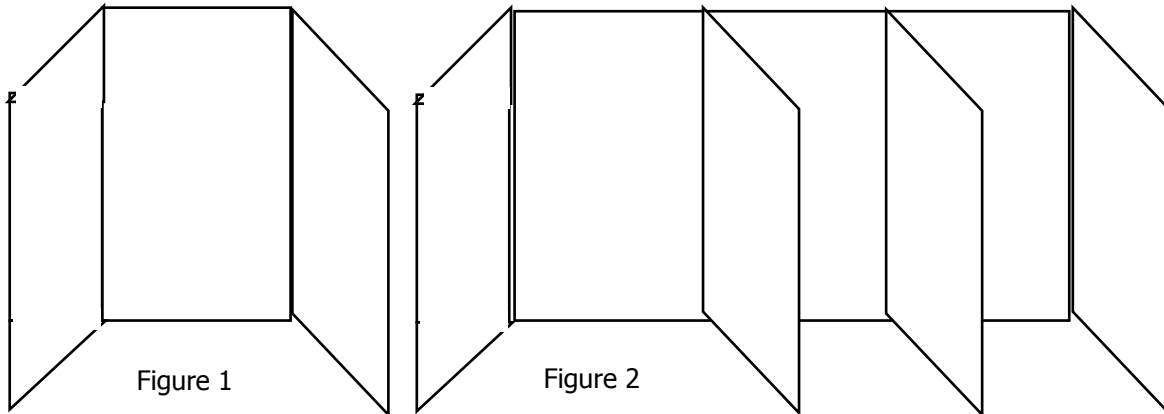

Inside, you will find several sections. They are as follows:

1. **Lapbook Base Assembly & Layout Guide:** This section gives instructions and diagrams and will tell the student exactly how to assemble the lapbook base and where to glue each booklet into the base. Depending on the student's age, he or she may need assistance with this process, especially if you choose to allow the student to use hot glue.
2. **Student Instruction Guide:** This section is written directly to the student, in language that he or she can understand. However, depending on the age of the child, there may be some parent/teacher assistance needed. This section will also tell the student exactly what should be written inside each booklet as he or she comes to it during the study, as well as telling the student which folder each booklet will be glued into.
3. **Booklet Templates:** This section includes ALL of the templates for the booklets.
4. **Study Guide:** This section is a great resource for the parent/teacher while teaching about Addy.

American Girl: Meet Addy Lapbook

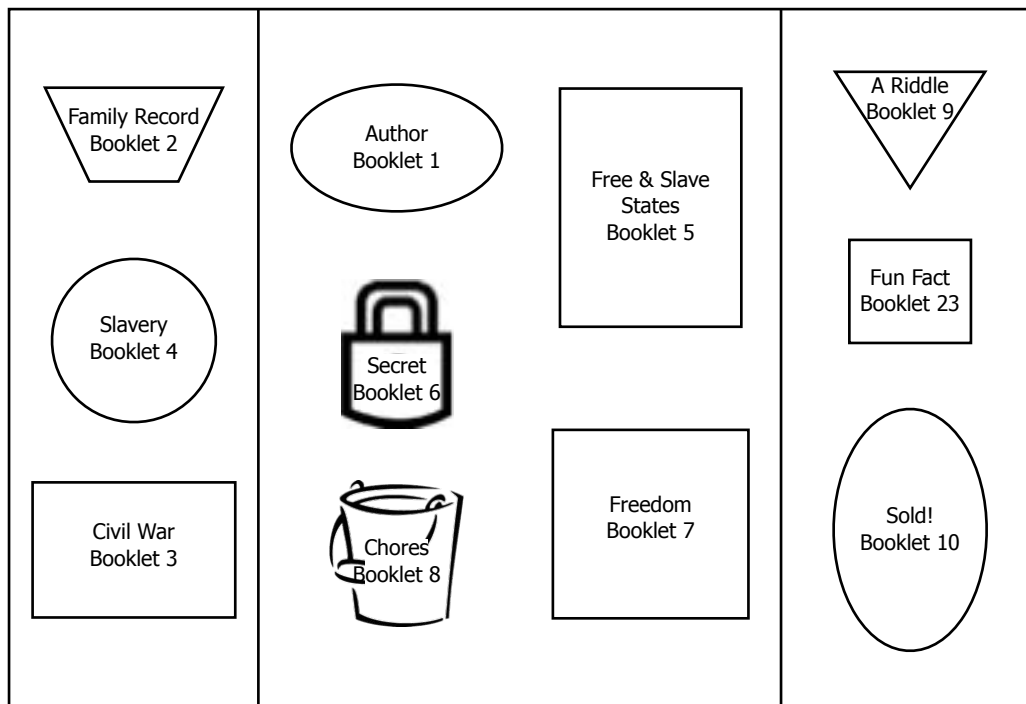

Base Assembly & Layout Guide

You will need 3 folders of any color. Fold both sides toward the original middle fold and make firm creases on these folds (Figure 1). Then glue (and staple if needed) the backs of the small flaps together (Figure 2).

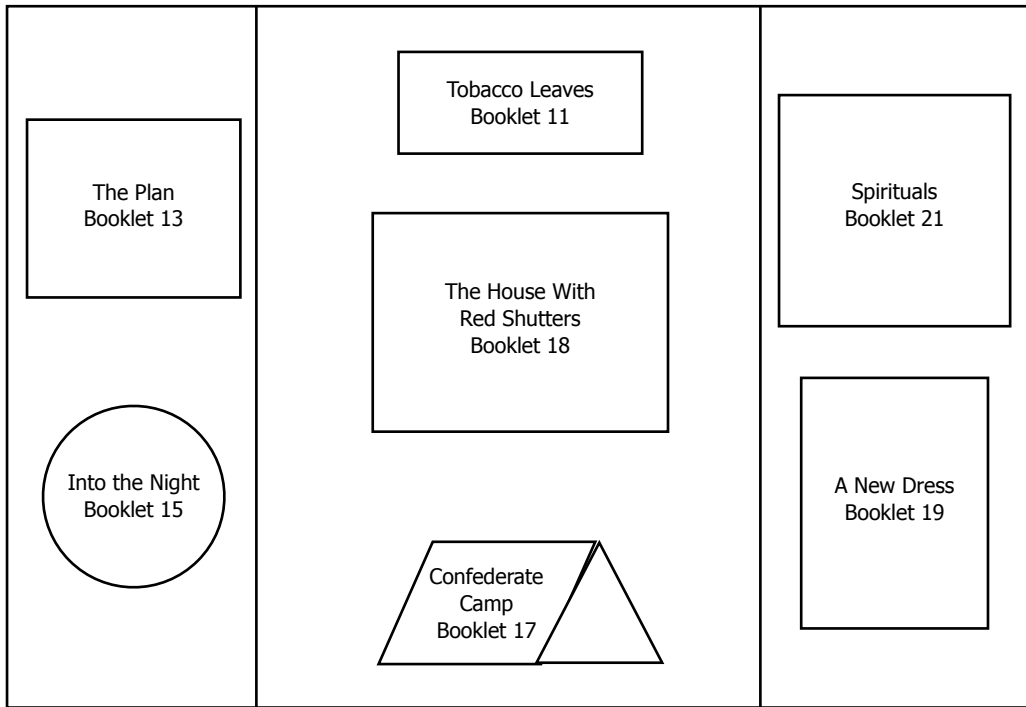

This is the "Layout" for your lapbook. The shapes are not exact on the layout, but you will get the idea of where each booklet should go inside your lapbook.

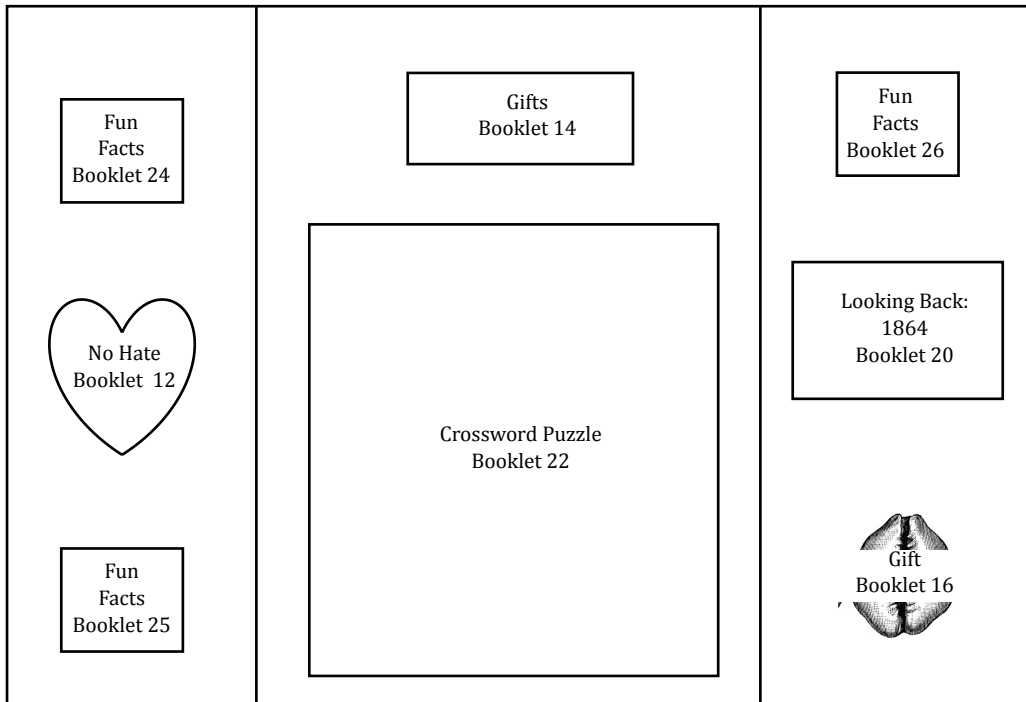

Inside of Folder #1:

Inside of Folder #2:

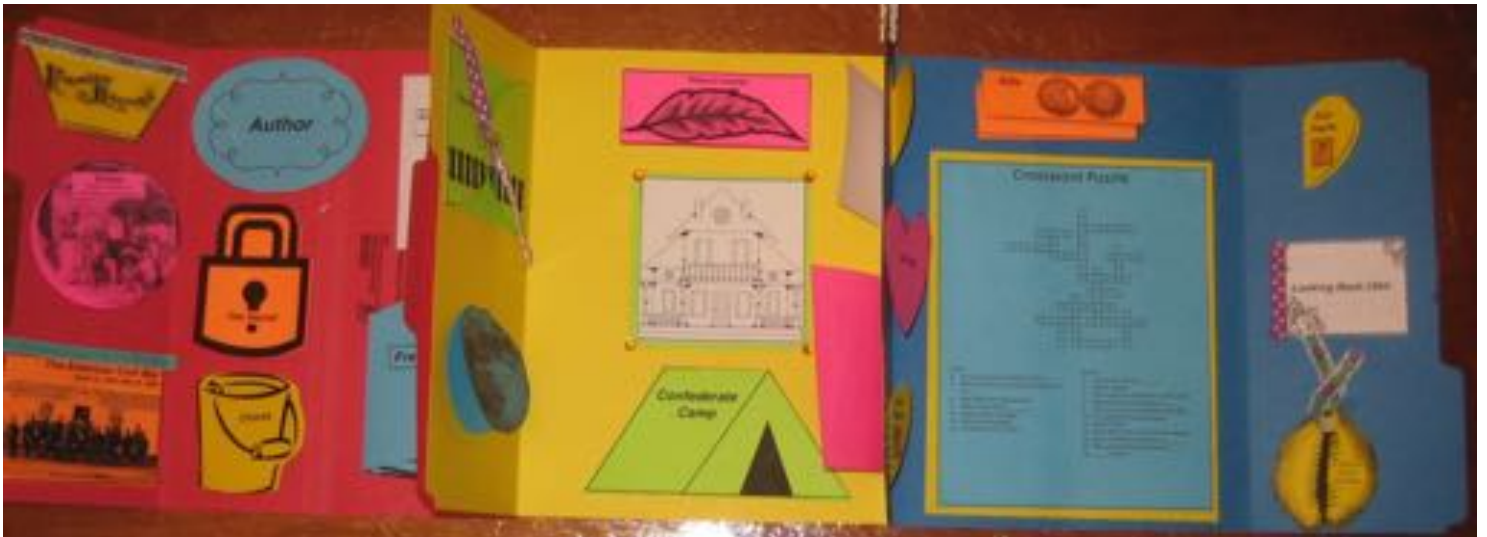

Inside of Folder #3:

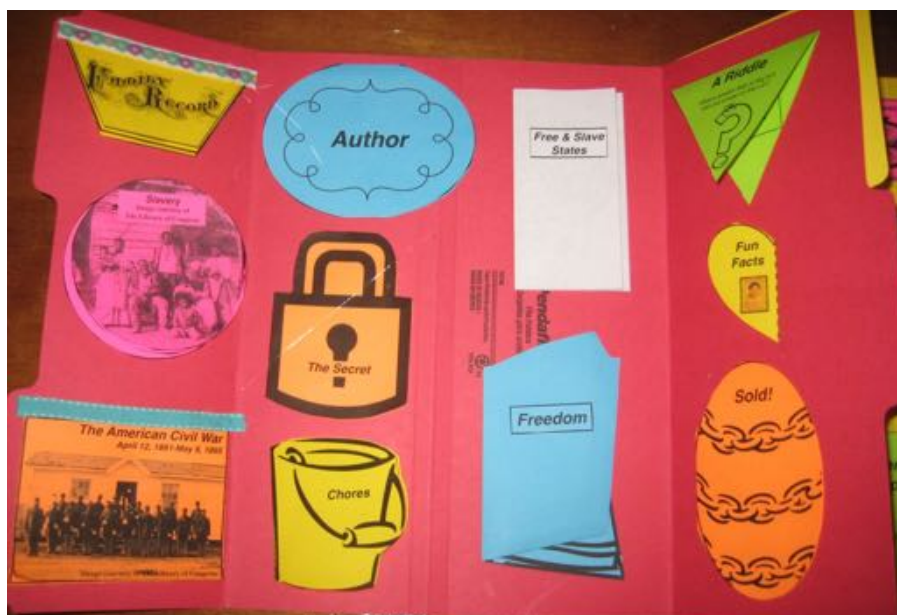

Below you will find pictures of a completed American Girl: Meet Addy Lapbook. YOUR lapbook will be laid out in the SAME way.

This should help in figuring out how to assemble the booklets and then how to put it all together!

American Girl: Meet Addy

Student Instruction Guide

Cover Page

This page is included as an *optional* cover page for your child(ren) to color, cut out, and use as a cover to their lapbook.

Booklet #1

*Booklet Title: Author Booklet

*Student Instructions: Do you know who the author is for this book? Record the name of the author and some facts about her in this booklet.

*Completed booklet will be glued into Folder #1 (See Layout)

**Assembly Instructions: Cut out booklet around outer black line edges. Fold in half horizontally. Glue booklet into folder.

Booklet #2

*Booklet Title: Family Record Booklet

*Student Instructions: Match the following names and descriptions with the pictures of Addy's immediate family in the booklet. Write the correct name and description on each page of the booklet.

--Poppa - Addy's father, whose dream gives the family strength.

--Momma - Addy's mother, whose love helps the family survive.

--Sam - Addy's 15-year-old brother, determined to be free.

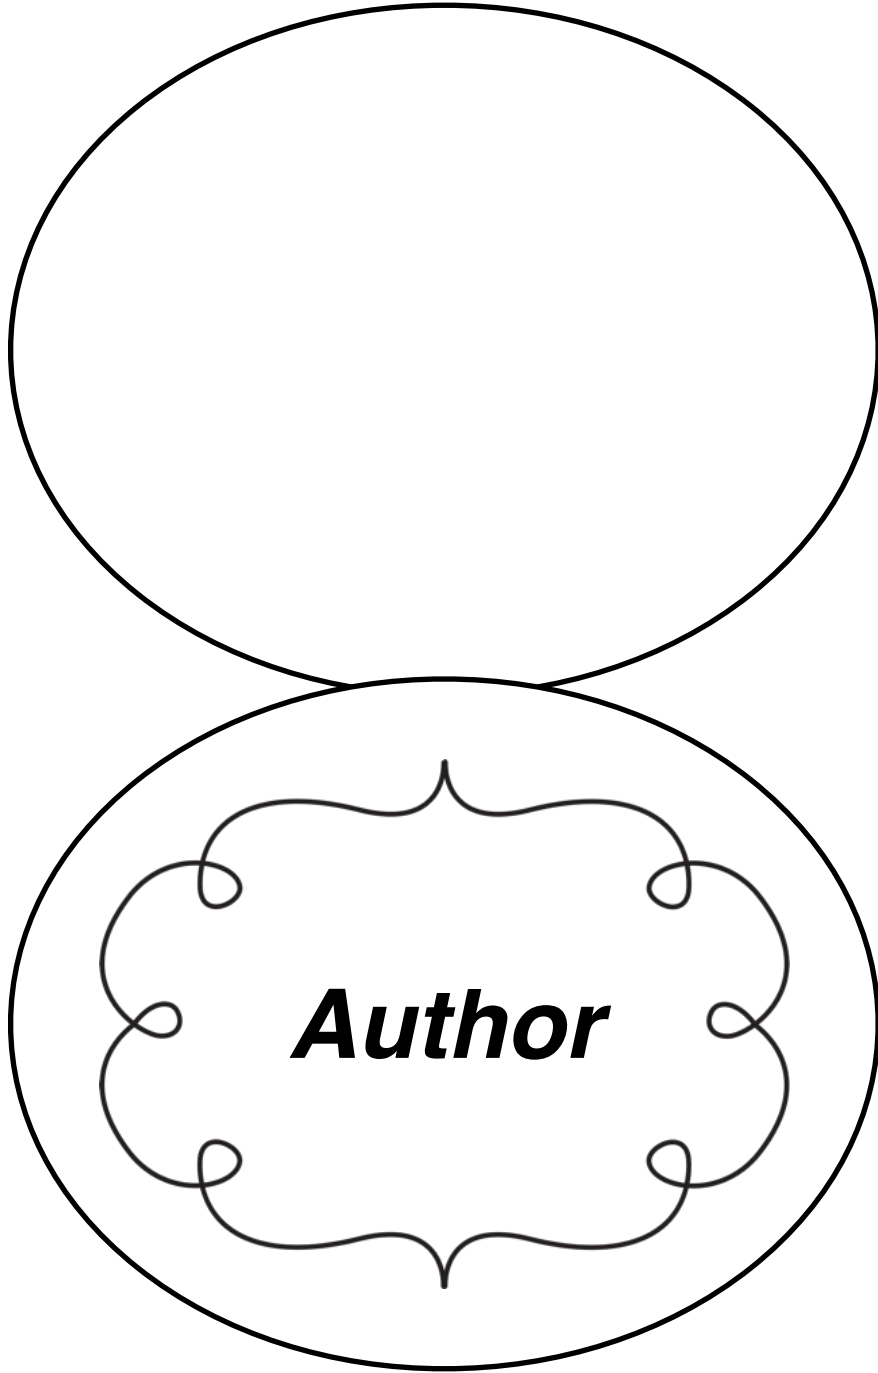

--Esther - Addy's one-year-old sister.

*Completed booklet will be glued into Folder #1 (See Layout)

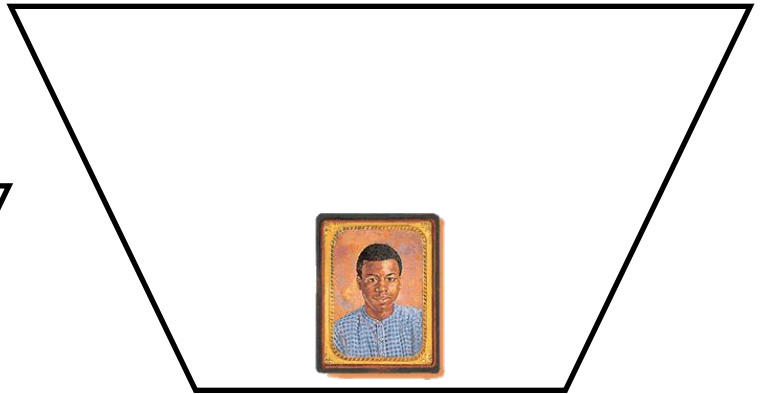

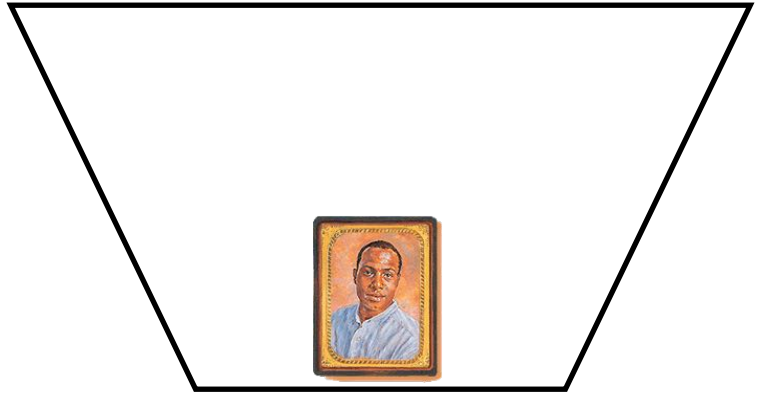

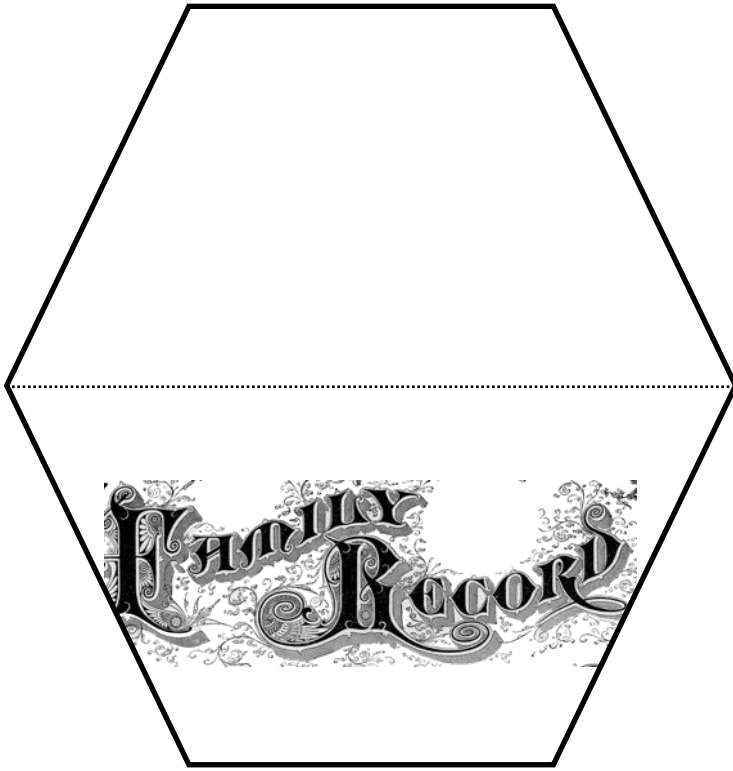

**Assembly Instructions: Cut out booklet pages around outer black line edges. Fold the cover in half horizontally with the title on the front. Stack pages, place inside folded cover, and secure with staple or brad. Glue booklet into folder.

Family Record Booklet

American Girl: Meet Addy Lapbook Teacher's Guide

Answers to booklet questions follow. They are divided up by chapter. In some sections suggested links are also included.

Booklet #1

*Booklet Title: Author Booklet

*The author of this book is Connie Porter. Here is a link with more information about her.

<http://www.americangirlpublishing.com/authors/connie-porter/>

Booklet #2

*Booklet Title: Family Record Booklet

*The pictures of Addy's family members with the correct name labels can be found at the beginning of the *Meet Addy* book.

Booklet #3

*Booklet Title: The American Civil War

*This booklet accompanies Chapter 1.

While many immigrant families coming to America in the American Girl series did suffer hardships, their stories are still much more light-hearted than Addy's. Addy's coming-of-age comes months before the end of the American Civil War. Her ancestors had come to America from Africa three generations before. The only life she knew was that of a slave. It may be difficult for children to read the account of her slavery, her fear, her brother being beaten, and her parents' inability to protect their children from the harsh workload and the punishments. While Addy is a fictional character, her story is unfortunately an all-too-real part of our human history.

If you are doing an integrated study, you may want to take some time at the beginning of the book to study the American Civil War and the issue of slavery in more depth, using some of the links below. If not, at least discuss some of the root causes of the Civil War. It is important to realize that slavery was not the only issue of the war, but it was certainly the issue that affected Addy's family the most. Her mother hoped that they would be freed soon, when the war was over, but her father feared that the freedom would not come soon enough for him to protect his family.
