This lapbook is dedicated to my mom, Terry, who always thinks I'm more talented than I really am! Thanks for always pushing me to do what I love and being there when things don't happen like I plan!

I love you mom!

How do I get started?

First, you will want to gather your supplies. Depending on which format you purchased from us, you will need different supplies. So, take what applies, and skip over the rest.

*** Printing:

- *Print instructions and study guide on white copy paper.
- *Print the booklet templates on 24# colored paper.

*** Assembly:

***Folders:** We use colored file folders, which can be found at Wal-Mart, Sam's, Office Depot, Costco, etc. You will need 1 file folder. You may add another folder if you like. You may use manila folders if you prefer, but we have found that children respond better with the brightly colored folders. Don't worry about the tabs ...they aren't important. If you prefer, you can purchase the assembled lapbook bases from our website.

***Glue:** For booklet assembly, we use glue sticks and sometimes hot glue, depending on the specific booklet. We have found that bottle glue stays wet for too long, so it's not a great choice for lapbooking.

***Other Supplies:** Of course, you will need scissors. Many booklets require additional supplies. Some of these include metal brad fasteners, paper clips, ribbon, yarn, staples, hole puncher, etc. You may want to add decorations of your own, including stickers, buttons, coloring pages, cut-out clipart, etc. The most important thing is to use your imagination! Make it your own!!

Ok. I've gathered the supplies. Now how do I use this product?

Inside, you will find several sections. They are as follows:

1. **Student Assembly and Completion Instructions:** This section is written directly to the student, in language that he or she can understand. However, depending on the age of the child, there may be some parent/teacher assistance needed. These instructions will tell the student exactly how to assemble the lapbook base and how to cut out and assemble each booklet. Here, they will find a layout of where each booklet should be placed in the lapbook and pictures of a completed lapbook. They will also tell the student exactly what should be written inside each booklet as he or she comes to it during the study.
2. **Booklet Templates:** This section includes all of the templates for the booklets within this lapbook.
3. **Study Guide:** This section includes most of the information that you need to teach this subject. You may choose to teach directly from the Study Guide, or you may choose to allow your student to read the study guide himself. Either way, you will find all of the information here.

Student Instruction Guide

Lapbook Base Assembly:

First, you will need to assemble the "Lapbook Base" for your project.

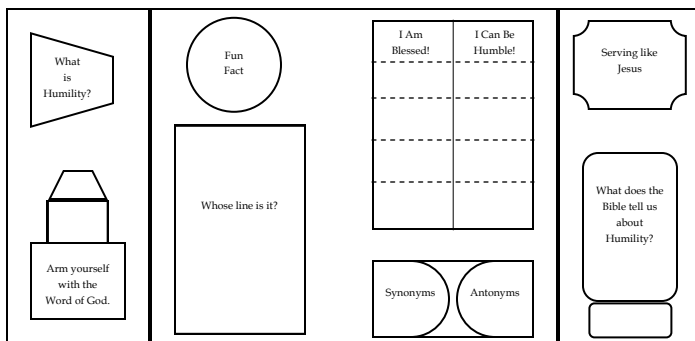

For this lapbook, you will need 2 file folders. Open the file folder, and lay it flat in front of you. Fold both sides of each folder toward the middle. The edges (or tabs) of the folded sides should touch the center original fold line on the folders. See **Figure 1**.

Figure 1

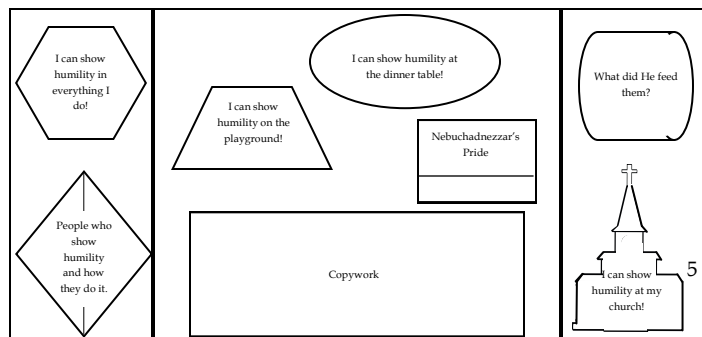

Lapbook Layout:

Below, you will see a layout for the lapbook. You may choose to glue the booklets into your Lapbook Base in any order that you like. However, you may have trouble fitting all of them in unless you follow the layout below. Some of the shapes aren't exactly the same on the layout as the booklets themselves.

Folder 1

Folder 2

Below, you will find pictures of how the lapbook should look when you have completely assembled it.

Student Instruction Guide

Cover Page

This page is included as an *optional* cover page for your child(ren) to color, cut out and use as a cover to their lapbook.

Booklet #1

***Booklet Title:** —What is Humility? Booklet

***Student Instructions:** This quality of humility, or being humble, is one we all struggle with. Explain exactly what humility is here in this booklet.

****Assembly Instructions:** Cut out along the outer black line edges of the booklet. Then fold inward along the bold line so the title is on the front.

Booklet #2

***Booklet Title:** —Synonyms/Antonyms Booklet

***Student Instructions:** To best understand what humility really looks like and how to work toward being humble, we have to also know what humility does not look like.

List several synonyms and antonyms for the word humility or humble in this booklet.

****Assembly Instructions:** Cut out along the outer black line edges of the booklet. Then fold inward along the bold lines so the title of each flap is on the front.

Booklet #3

***Booklet Title:** —What does the Bible tell us about humility? Booklet

Student Instructions:** The Bible is the best resource we have for instructions about living a humble life. Research and write 3-4 scriptures from both the Old and New Testaments that talk about humility. *Challenge: Try not to use any of the scriptures given in other areas of the lapbook.**

****Assembly Instructions:** Cut out along the outer black line edges of each page. Stack so that the title is on the front. Next add the OT and NT tabs adding any extra pages you used behind their respective tab pages. Along the left side of the stack, either staple, or punch 2 holes and secure with metal brad fasteners or a ribbon.

Booklet #4

***Booklet Title:** —Serving like Jesus Booklet

***Student Instructions:** Read John 13:1-17. This passage tells us of the Last Supper where Jesus washed the feet of His disciples. Jesus takes on the role of a servant to teach them that we are all the same in God's eyes as well as the importance of serving others.

List ways you can serve others in this booklet.

****Assembly Instructions:** Cut out along the outer black line edges of the booklet. Then fold inward along the bold lines so the title of each flap is on the front.

Booklet #5

***Booklet Title:** —Whose line is it? Booklet

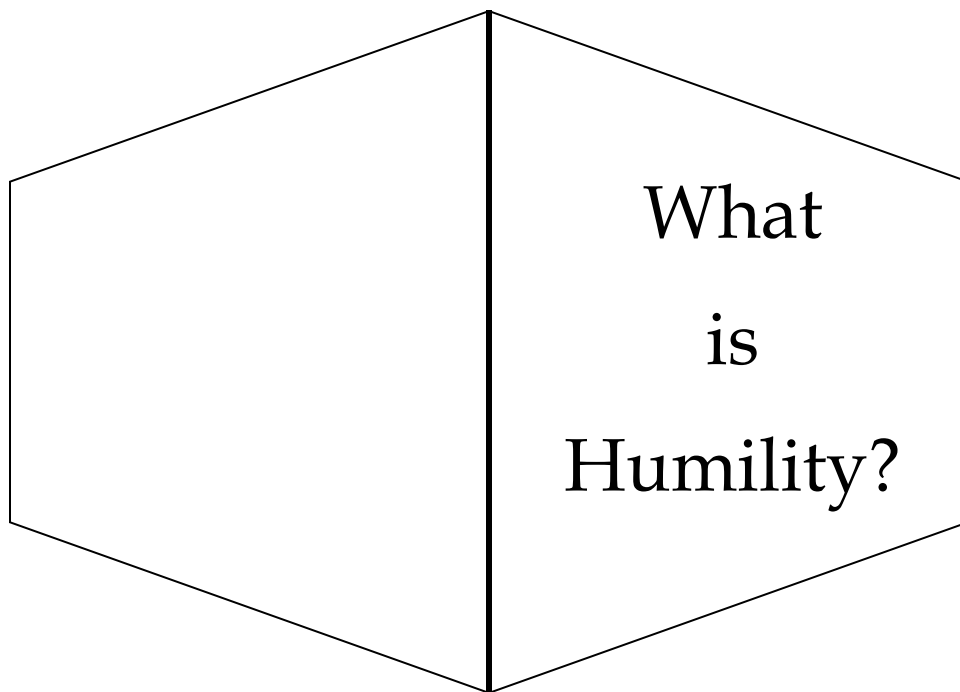

***Student Instructions:** Much of the time our character shows in what we say. Match each phrase with the correct character and glue them inside the caption bubbles.

****Assembly Instructions:** Cut out along the outer black line edges of the booklet. Stack so that the title is on the front. Along the top of the stack, either staple, or punch 2 holes and secure with metal brad fasteners or a ribbon.

Humble
yourselves
before the Lord, &
HE will lift you up.

Teacher's/Study Guide

Following is information taken from various sources WITH permission.

Most information needed to complete your booklets is included in this section. You may need to do some research on your own for some questions. There are many scriptures and stories in the Bible that can guide you as well as websites with additional information and application ideas, in case you want to take your study a little further.

What is Humility?

When working on character with our children we must, first and foremost, remember that all character qualities are learned best through your example. Children mimic what they see so this may be a great time for you to study alongside them and allow God to work in your heart as well. Christ came to show us how to serve others and care for His children. The example He set can not compare to anything else you will find on this earth. Pulling away from worldly ideals and attitudes will only bring you closer to Him and in turn will bring your children closer to Him as well.

There are so many different definitions of this word and some can be more confusing than the word itself. I encourage you to help your student search for a definition that is not only clear but that also makes sense to them. This would be a great opportunity to discuss the different word classes for humility, not only as an exploration of grammar but also to foster a deeper understand of humility and how it affects them and others around them.
