## Base Assembly & Layout Guide

You will need a folder of any color. Fold both sides toward the original middle fold and make firm creases on these folds (Figure 1).

This is the "Layout" for your lapbook. The shapes are not exact on the layout, but you will get the idea of where each booklet should go inside your lapbook.

Inside of Folder:

Below you will find a picture of a completed *New Year's Resolutions* Mini-Lapbook. YOUR lapbook will be laid out in the SAME way.

This should help in figuring out how to assemble the booklets and then how to put it all together!

## Student Instruction Guide

Have you ever made New Year's Resolutions? *Resolutions* are things that we decide, or *resolve*, that we are going to do. Many people feel that the beginning of a new year is a good time to set some new goals and improve upon the last year. Many adults resolve to lose weight or to exercise and get into better shape. Students may resolve to get better grades or to try something new. Think about some resolutions you would like to make for the upcoming year, and keep track of them in this lapbook. At the end of the year, you may look back and see how you've done!

Happy New Year!

\*Student Instructions: Write some general resolutions in this booklet. Would you like to exercise more, read more, or learn to play an instrument? Record your ideas here. Keep in mind that sometimes people do not complete every resolution, but they are goals toward which we keep working.

\*Completed booklet will be glued into Folder (See Layout)

\*\*Assembly Instructions: Cut booklet pages out around the outer black line edges. Stack with title page on top. Secure with staples. Glue into folder.

### Booklet #2
