

## Cyclone Separator

### Product Features:

- Turn your dust collector into a heavy-duty two-stage cyclone dust collection system
- Cyclonic force removes 99% of dust and wood chips before it reaches your dust collector
- Recommended for 1.5 to 3 HP dust collectors
- Cyclonic action separates heavy debris from the fine particles and directs them into the steel drum
- 29 Gallon steel drum with quick release latches and castor wheels for portability
- 6" Inlet with 2 x 4" adaptor
- 7" Outlet with 6" adaptor, and additional 1" to 6" adaptor included
- Drum bag included
