

15" Industrial Planer

Product Features:

- Powerful 3 HP motor
- Table raises and lowers on four precision ground columns for extra stability
- 3 knife cutterhead allows rapid cutting while producing a superior finish
- Anti-kickback fingers in front of the infeed roller to prevent wood kickback
- Magnetic safety switch
- Stock return rollers on top of planer for multiple passes
- Extension tables provide support for longer material
- Mobile base system built into the cabinet
- Knives rest on adjustable Jack Screws; lock bar and lock screws keep knives in place
- Lever allows you to shift gears for changing feed rates for excellent results in planing hard and soft woods
- Comes complete with cabinet stand and 4" dust collector outlet
