

## 15" Planer With Spiral Cutterhead

### Product Features:

- Powerful 3 HP motor
- Table raises and lowers on four precision ground columns for extra stability
- A spiral cutterhead is 50% quieter than a conventional cutterhead
- Anti-kickback fingers in front of the infeed roller to prevent wood kickback
- Magnetic safety switch
- Stock return rollers on top of planer for multiple passes
- Extension tables provide support for longer material
- Mobile base system built into the cabinet
- Lever allows you to shift gears for changing feed rates for excellent results in planing hard and soft woods
- Comes complete with cabinet stand and 4" dust collector outlet
