Before you cut or start sewing, gently starch with Terial Magic

After the fabric dries, press with steam and cut the solid-like fabric to the 14" square size

You do not need to starch the lining (essex linen)

Basic Wedge Assembly

Seam Allowance is 1/4"

- Fold each wedge in half right sides together
- Stitch the top
- Turn inside out
- Chain stitch

Sew Wedges

- Sew in pairs
- Then sew pairs together.
- Repeat until a circle is complete
- Press all seams open

Applique Set-Up

- Use Stitch #1331 or a blind hem stitch
- If using the blind hem stitch
 - Set stitch width to 1.8mm, stitch length to 1.1mm and move the needle position all of the way to the right
 - Engage needle down
 - Use the Free Hand System to easily lift the presser foot to pivot.

Zipper Details

- Use a straight stitch to sew the bottom of the back to the bottom of the front with a $\frac{1}{2}$ " seam allowance 2" in from either side ($\frac{1}{4}$ " foot is fine)
- Press the pillow front seam allowance $\frac{1}{2}$ "
- Press the pillow back $\frac{1}{4}$ "
- This provides a 14" opening for the zipper
- Attach zipper foot
 - Move needle position accordingly
- Top stitch according to the video

Details for Alternative Table Runner

Sew the purple setting triangles to the Dresden plate blocks in rows, then sew the rows together.

NOTE: There are no triangles sewn to the two end pieces, this creates a point on each end of the table runner.

Quilt and bind to your liking

Details for round Placemat

- Make wedges for a 16" - 18" Dresden Plate
- Add center with your favorite method
- Layer Dresden on one layer of batting
