Sewing the Strips Together

It is important to follow the sewing order for the strips:

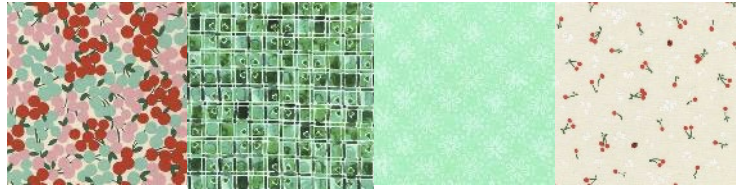

Set 1: 20" pieces

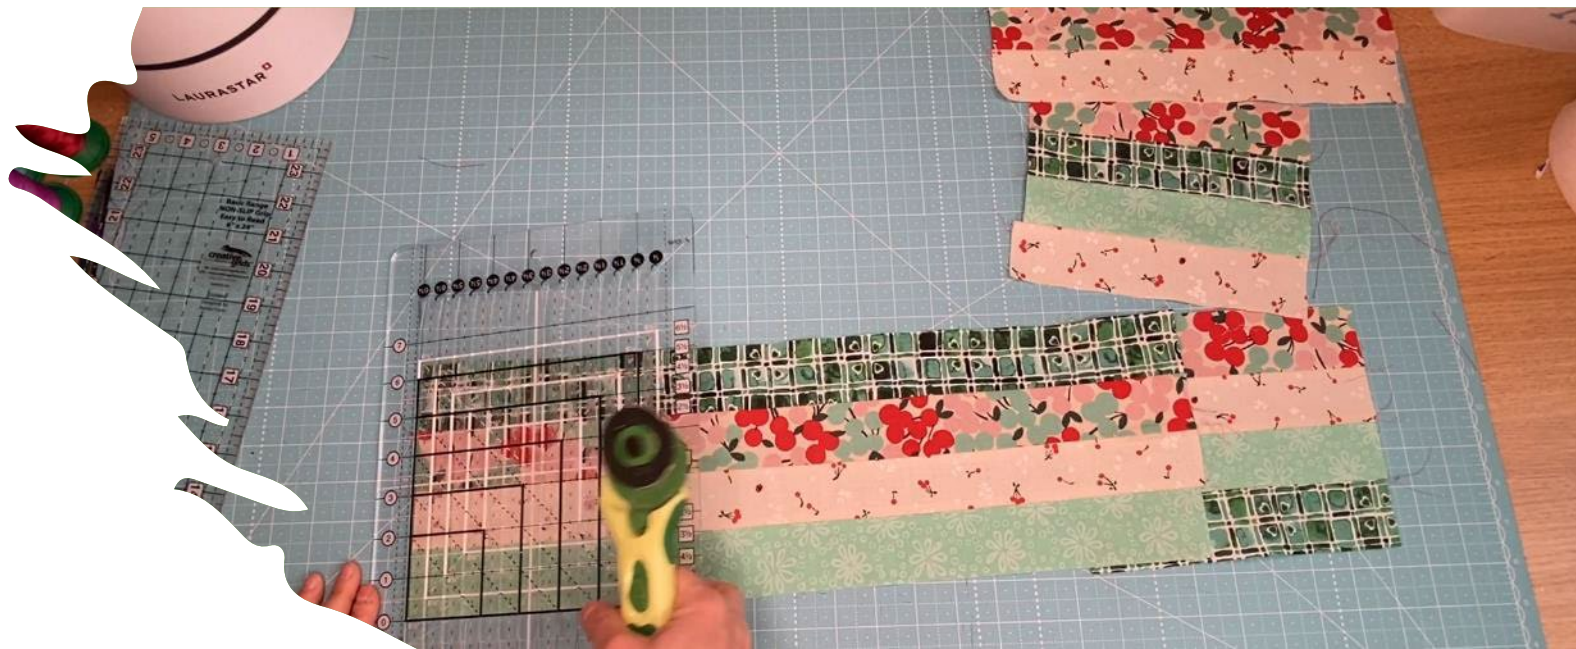

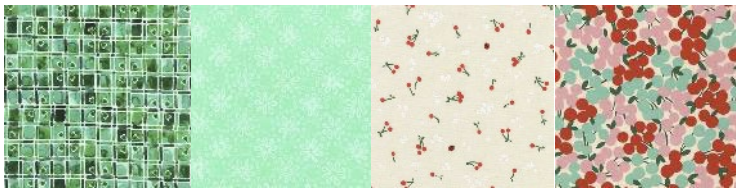

Set 2: 12" pieces

Set 3: 8" pieces

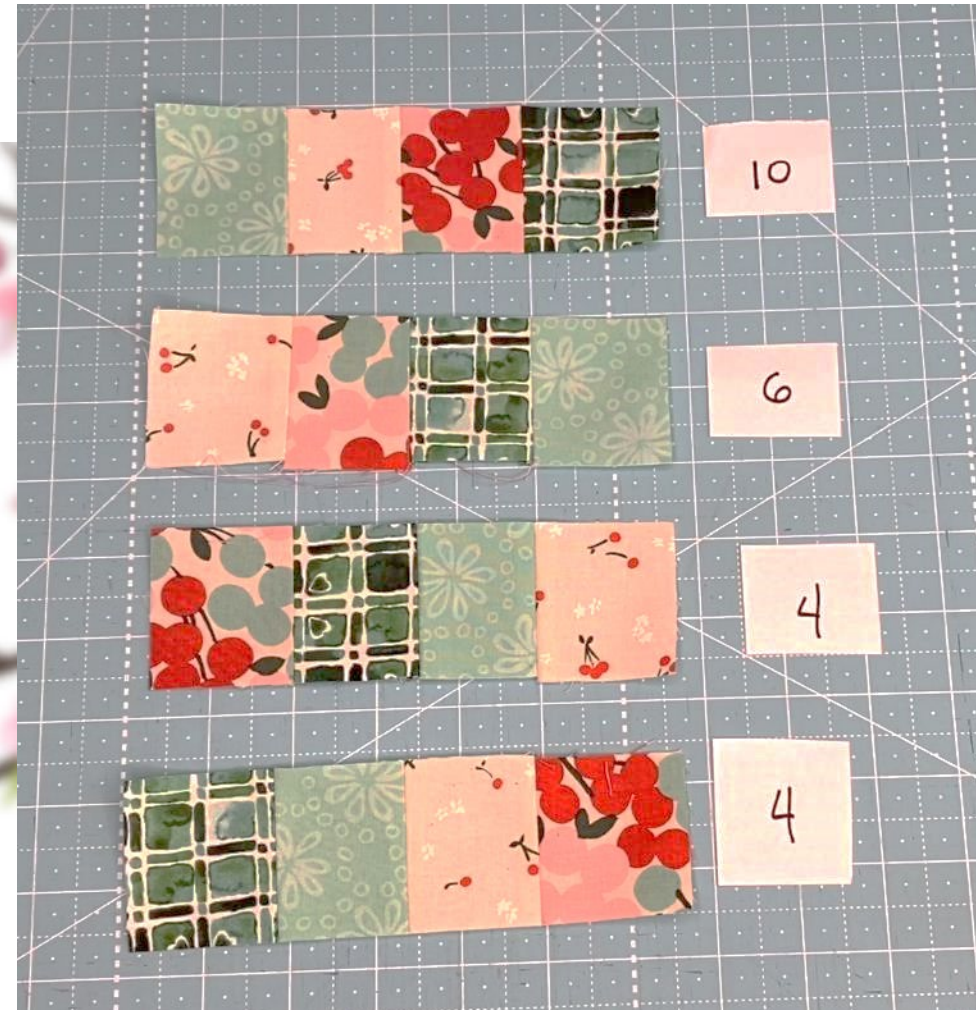

Set 4: 8" pieces

Subcut the Sewn Strips

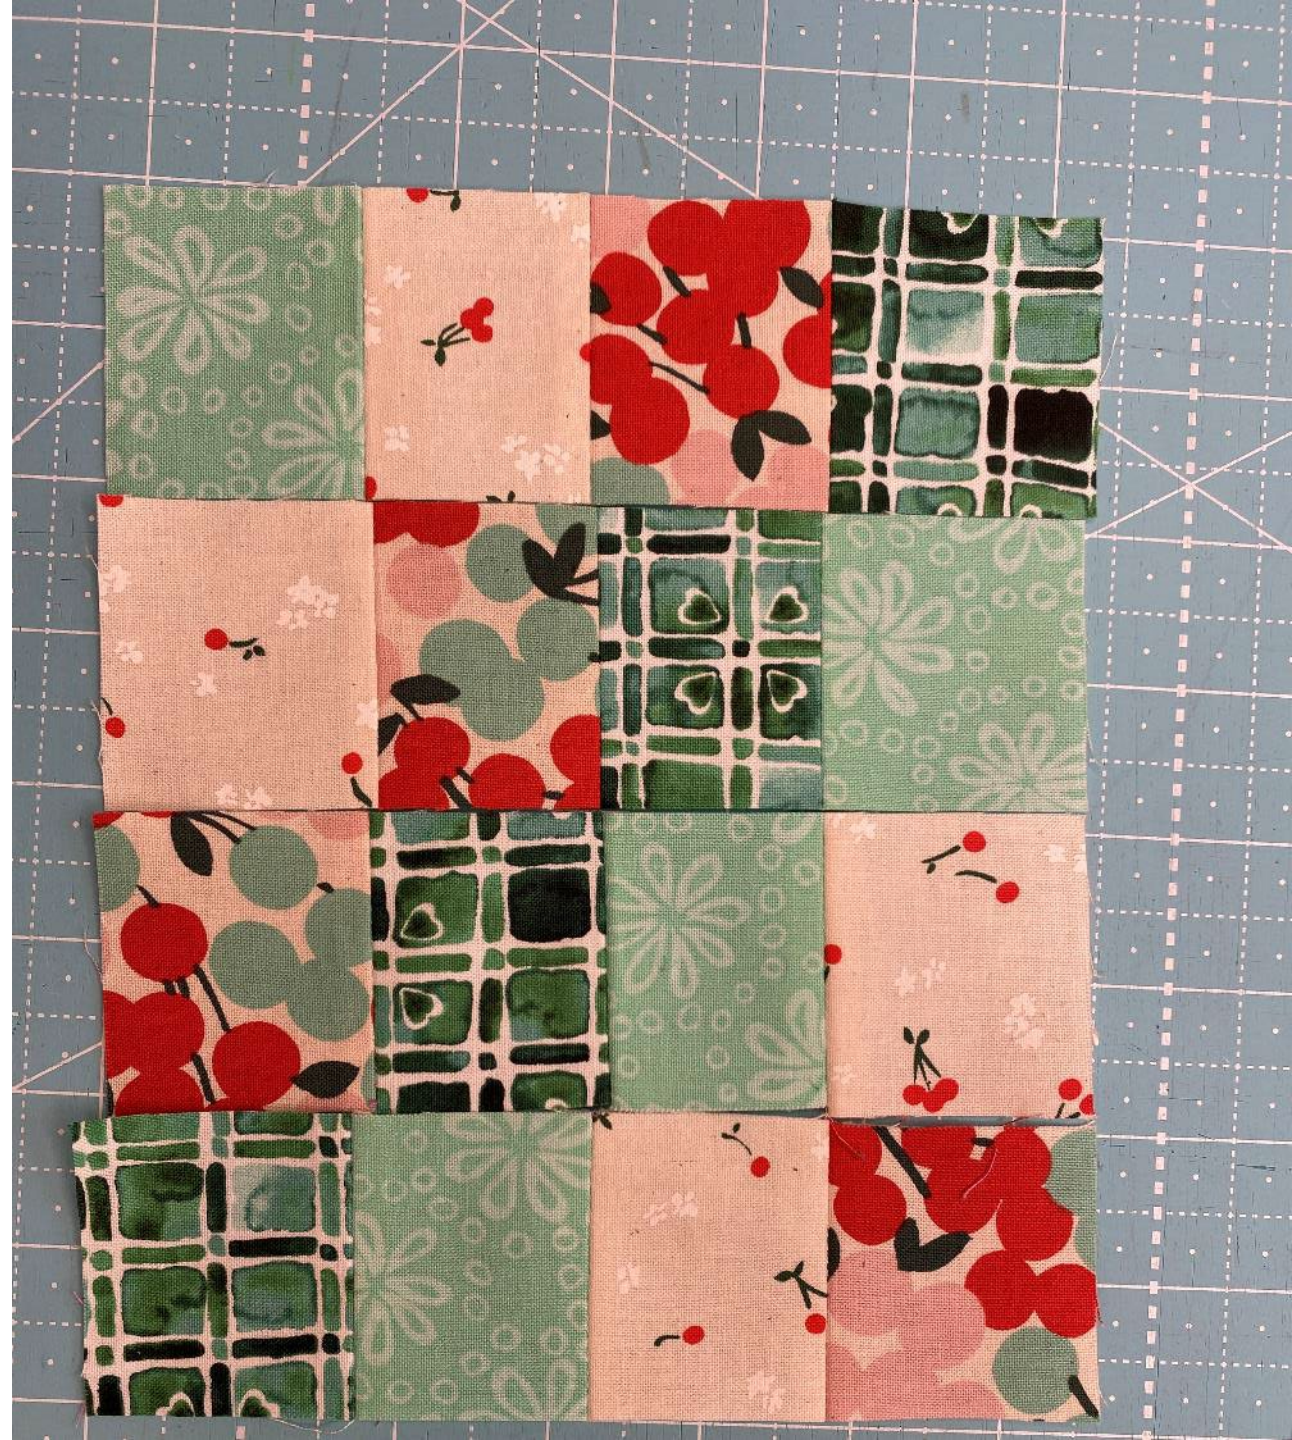

Refer to the diagram at the right

Use the Mini Stripology ruler to make the 2" subcuts

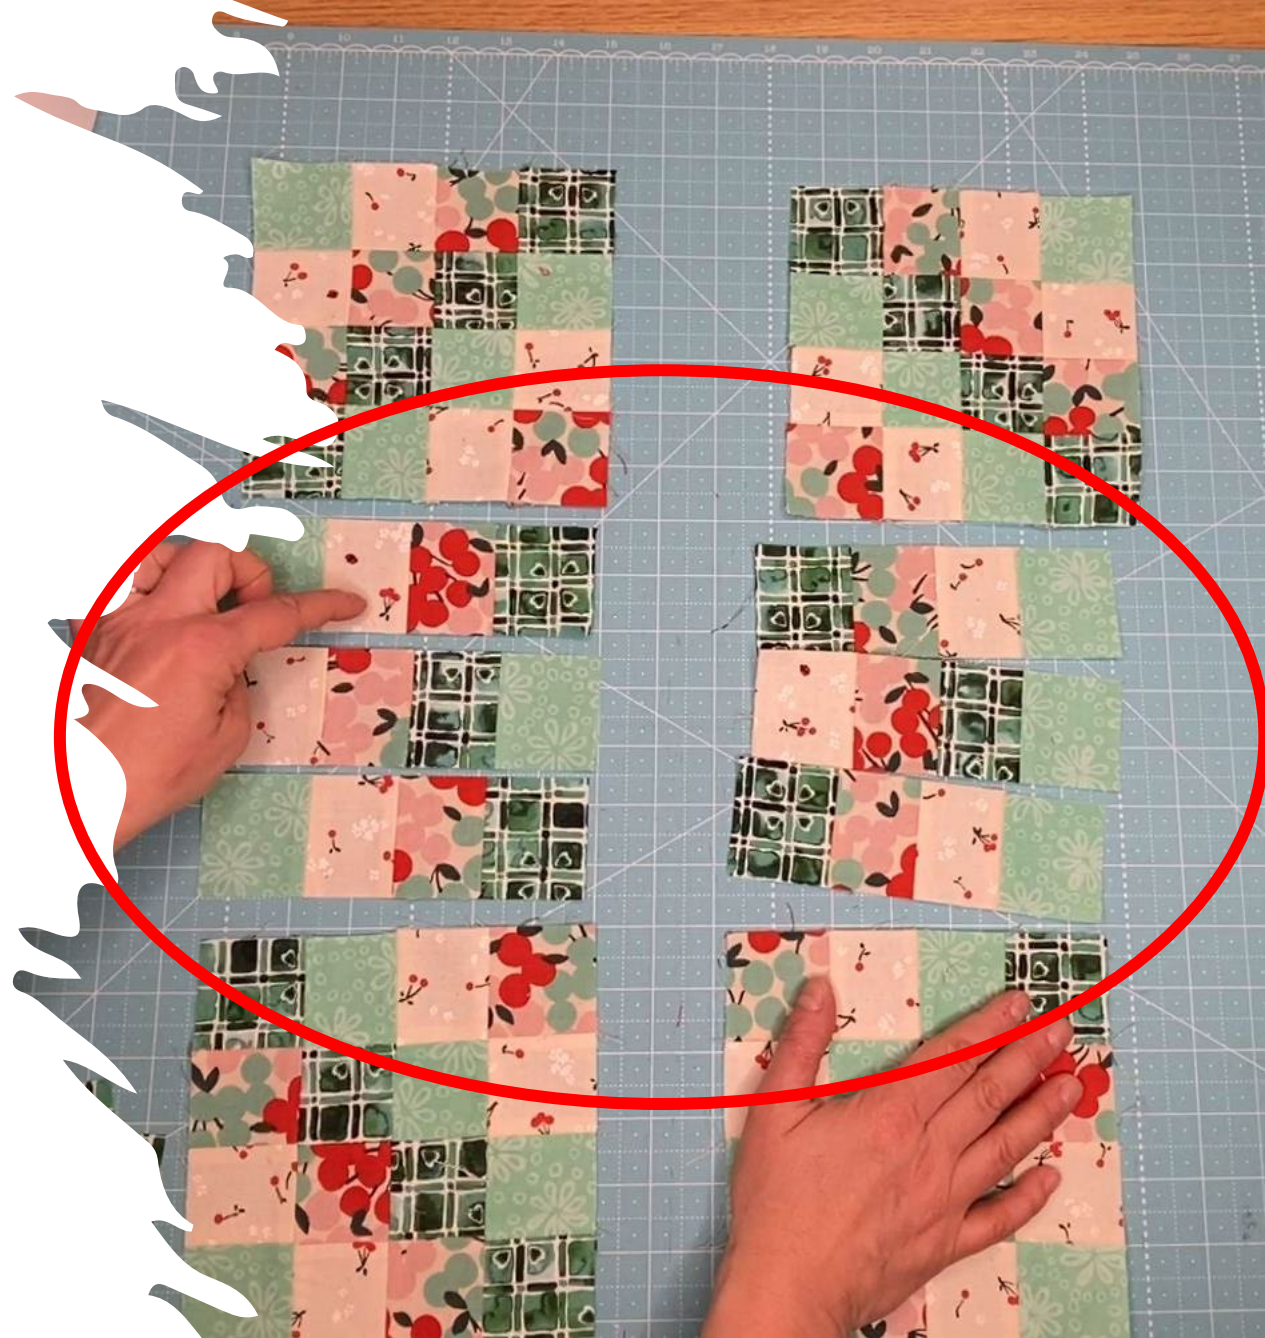

Assemble 4 Blocks

- Measures 8 ½"
- Follow the layout on the right
- Use Magic Pins to ensure that the seams line up

Assemble Side Units

- 3 Rows
- Assembled like previous block
- Press seams open
- Make 2

Additional Cutting

- 2 – 2" mint squares
- 1 – 2" mini Cherry
- 4 – 1" strips of reserved Dark Green Mini Cherries
- 4 – 2 ½" strips of reserved Dark Green Mini Cherries
- 4 – 2" strips of border of your choice

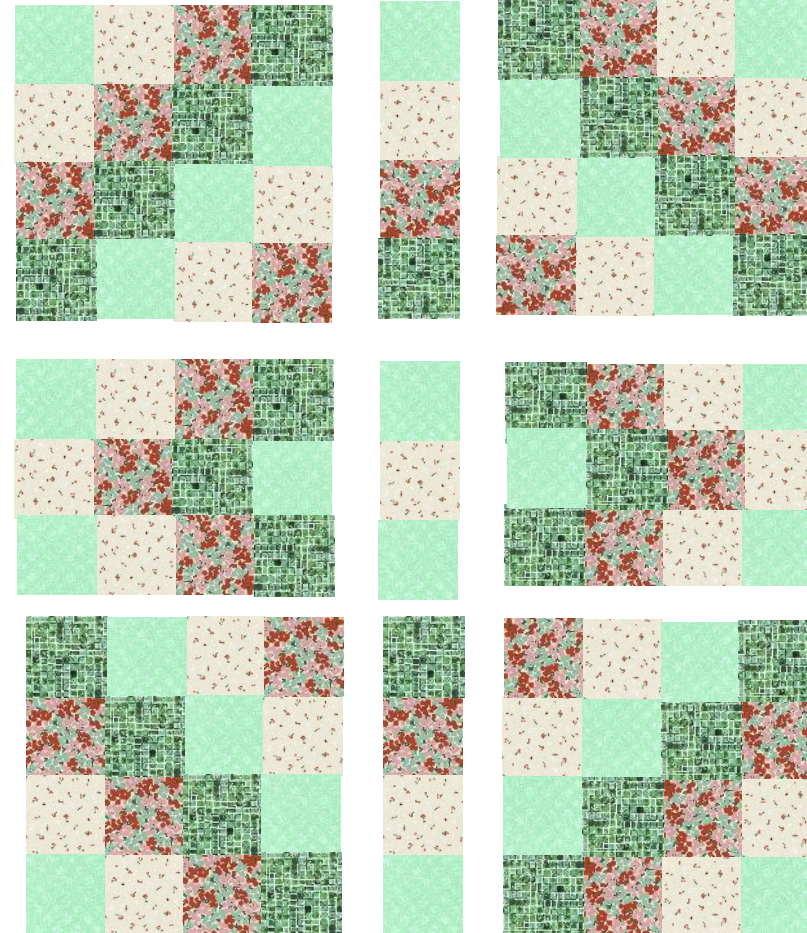

Assemble the Quilt

Sew a mint 2" square to the mini cherry 2" square and then sew the other mint 2" square to that.

Like assembling a nine patch, use the diagram to the right to construct the quilt body

Add the 1" dark green strips for border one, starting on each side, then adding the top and bottom

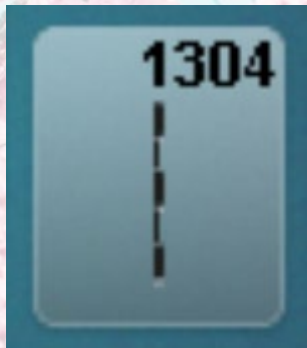

Repeat for the second border

QUILTING

Use Mock-Hand Quilting Stitch #1304 (BERNINA 4, 5 Series) or #1328 (BERNINA 7 and 8 Series)

This stitch is also available on many other BERNINA Machines and is represented by this icon

I didn't have to make any changes, but you may need to increase (higher number) or decrease (lower number) the thread tension.
