## Embroidery Machine Set-Up

We used a BERNINA 770 QE Kaffe Fassett edition machine with a maximum hoop size of ~8" x 15"

There are 2 "so Lucky" hoop options, if you are using the BERNINA Midi Hoop, you can use the larger hoop option, other wise the BERNINA Large Hoop will work.

Hooping #1: So Lucky – One layer Polymesh Stabilizer

Hooping #2: Filler Block – One layer Polymesh Stabilizer

Load OESD Bobbinfill in the bobbin

Follow Kimberbell and our [Video Instructions](#) for thread sequencing
