Making a fuzzy binding
from the backing material

- No matter the quilting method you choose, trim the batting flush with the pieced quilt top
- Trim the cuddle approximately 2 1/4" away from the batting and pieced quilt top
- Fold the fur's raw edge to the edge of the quilt top, then fold again over the quilt top
- Stitch on the machine with a #4 serpentine stitch
 - Stitch Length = 2.0mm
 - Stitch Width = 5.0mm
