

Recommendations for FlingGolf Players

1

BOOK ALL TEE TIMES IN ADVANCE

If possible, book online or pay in advance with a credit card via the phone.

2

FOLLOW ALL SOCIAL DISTANCING RECOMMENDATIONS

Make sure to keep at least 6 feet between players at all times. Keep this in mind especially on the tee box and the green.

3

PLAY WITH DIRECT FAMILY MEMBERS

Ideally you should only play with those individuals who you have regular contact with - e.g., direct family members

4

PLAY WITH GLOVES ON BOTH HANDS

Although many FlingGolfers typically play without using golf gloves, it is especially important to use them now.

5

WALK YOUR ROUND

Playing FlingGolf is easy without a cart since there is no bag and the FlingStick weighs less than a pound.

6

KEEP THE PIN IN PLACE AT ALL TIMES

Many courses are using raised cups to facilitate this.

7

“SCOOP” THE BALL WITH THE FLINGSTICK

Minimize contact with your golf ball by scooping the ball with your FlingStick instead of picking it up.

8

EVERYONE SHOULD USE THEIR OWN FLINGSTICK

If at all possible, don't share FlingSticks. If you do, they should be continually wiped down. Also, do not pick up another player's ball.

9

WASH YOUR HANDS AND CLEAN YOUR EQUIPMENT

Use soap and water or a sanitizer with at least 60% alcohol.

10

FOLLOW THE GUIDANCE OF THE CDC!

We are not medical experts and info about COVID-19 changes on a daily basis. For more info refer to <https://cdc.gov/coronavirus/2019-ncov/>.
