PRINTS
EDITION

THE ARTIST

Melissa Sunjaya is an experienced designer who holds a degree in Visual Communication Design from the Art Center College of Design in the United States. Before creating Tulisan, she led Bluelounge Design, a creative studio that worked with international clients including Panasonic and Uniqlo. After returning to Jakarta in 2006, Melissa delved into traditional printing methods such as batik and screen printing, nurturing her interest in handmade products. With courage and creativity - in her home garage, she embarked on her creative journey by buying surplus export fabric and manually creating her first products – napkins, aprons, and pillowcases. Melissa's inspiration to combine illustration with everyday products has created a unique legacy of art and craftsmanship at Tulisan.

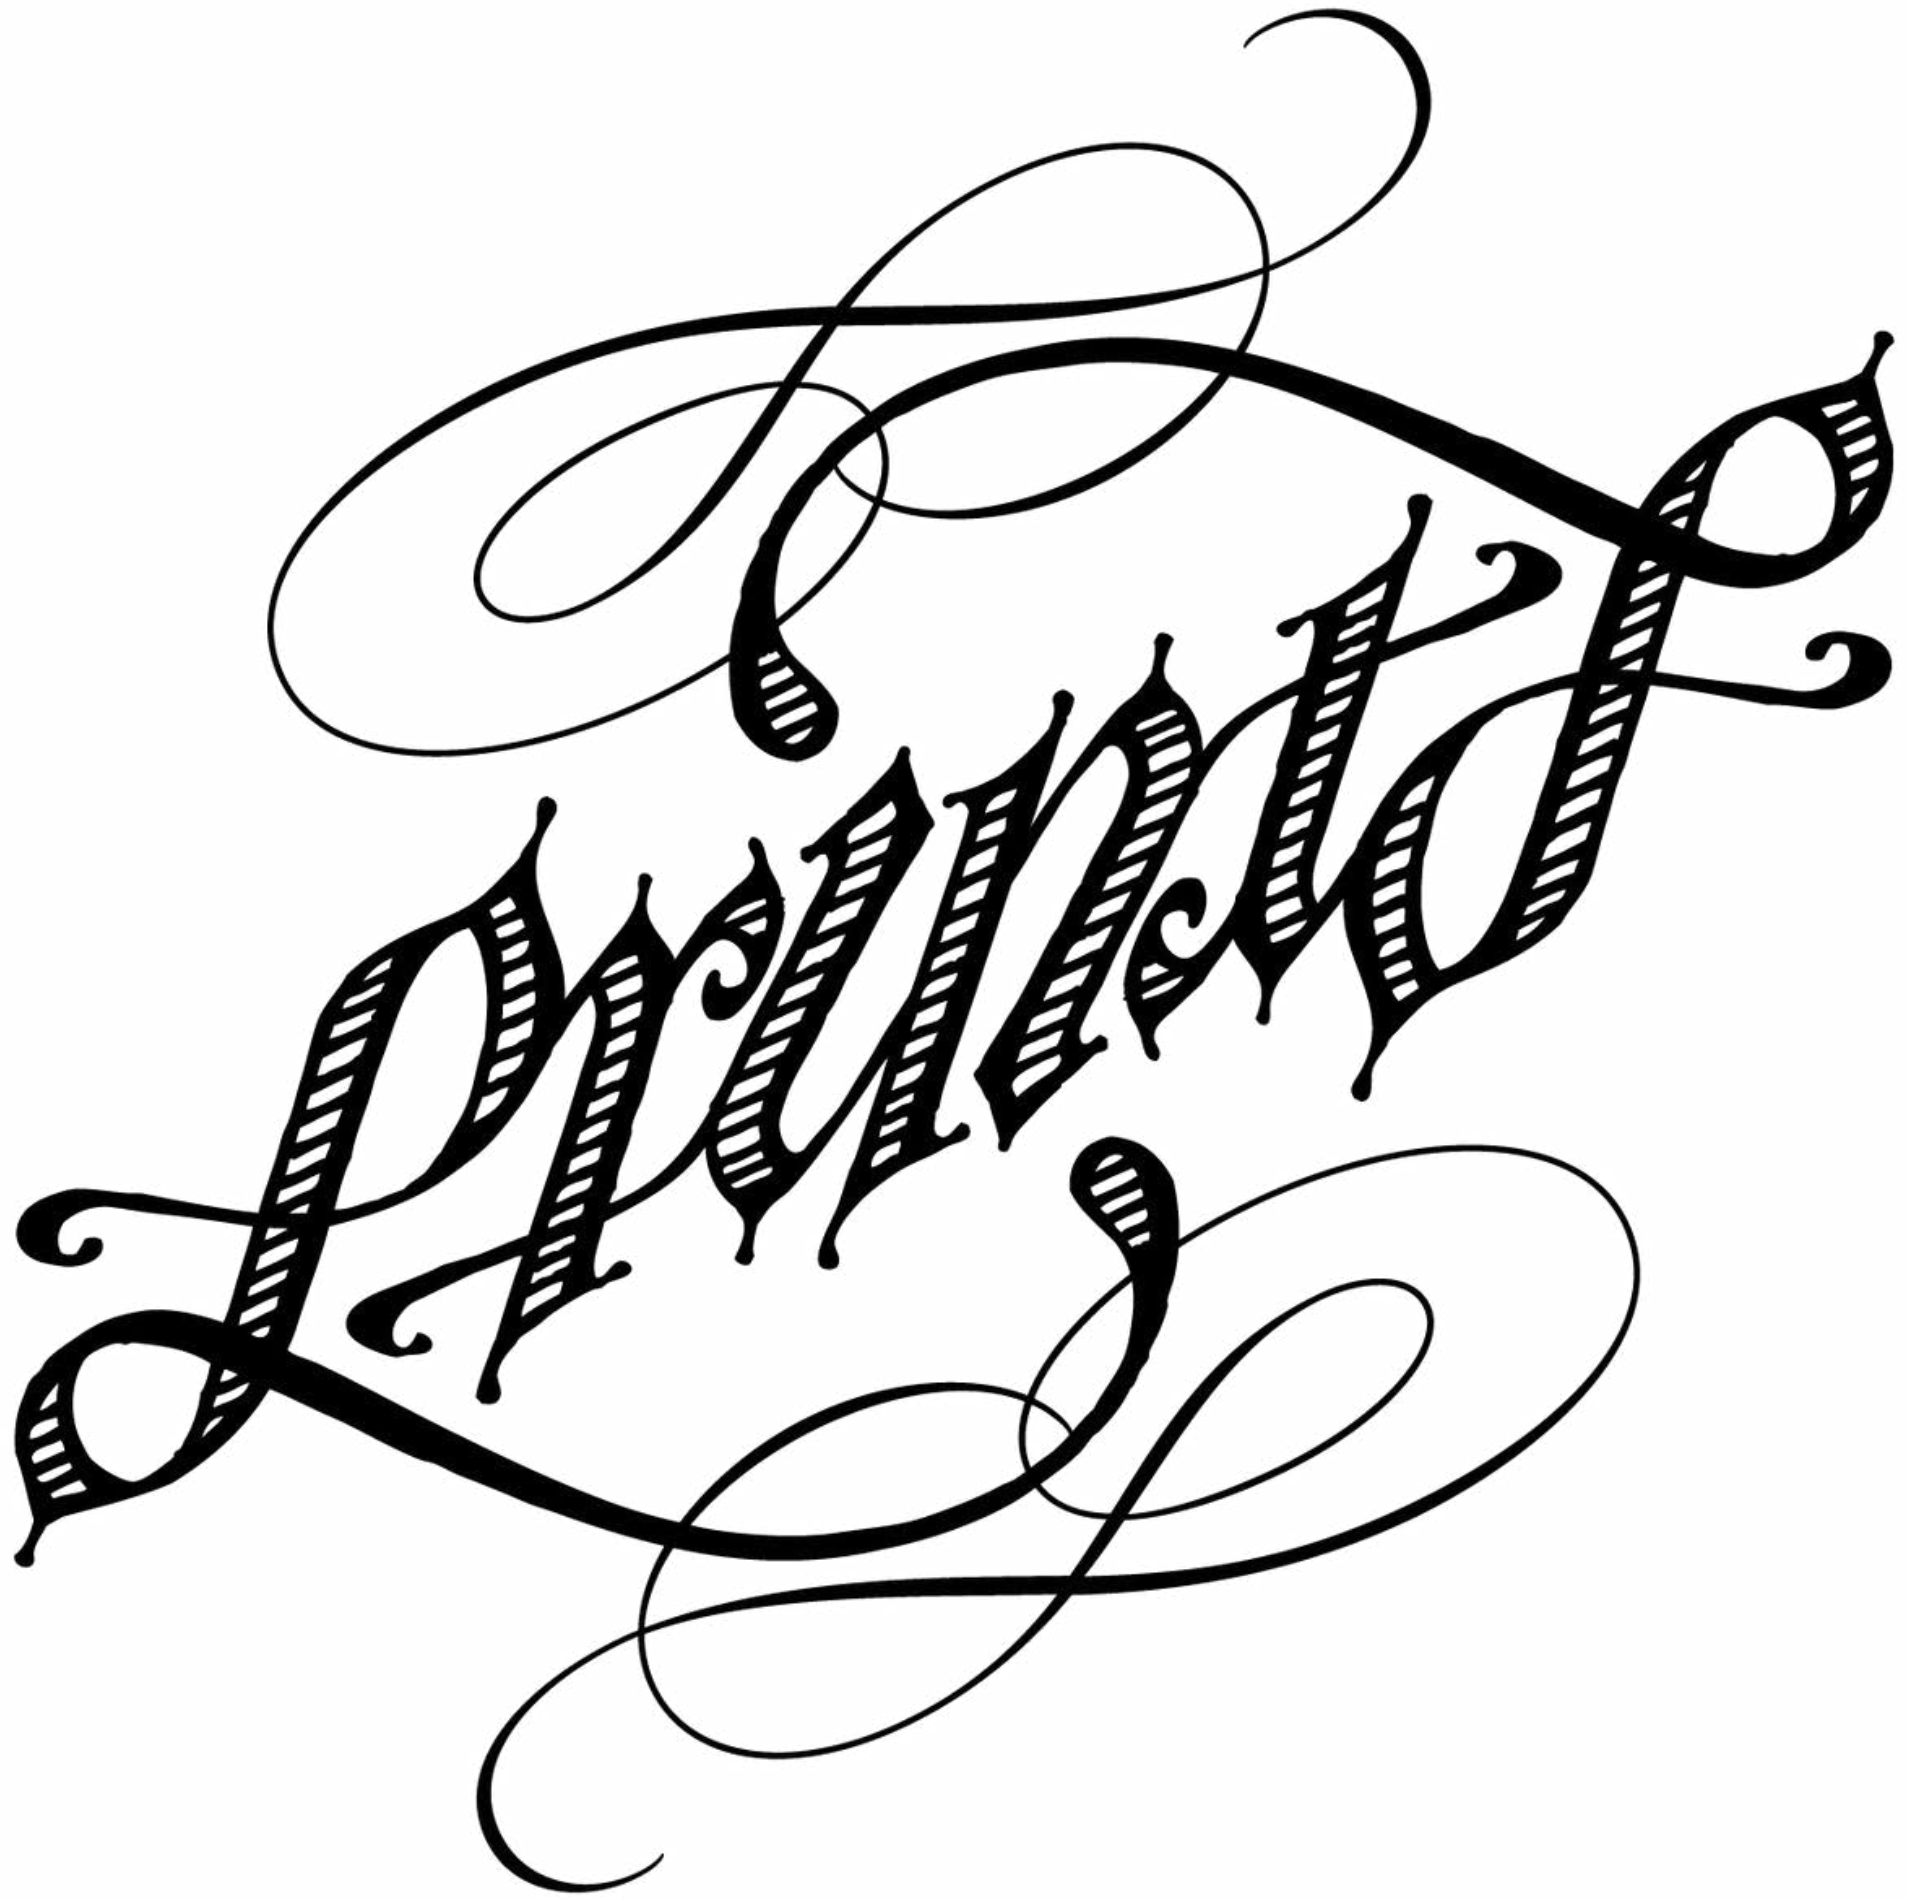

*tulisan*TM

Identity is an ongoing exploration process and not an inherent prerogative from birth. Every artist understands that this process involves embracing uncertainty and a determination to dissect our own flaws with an open heart. This topic always intersects with the history of one's birthplace, intricately woven through interplaying narratives between truth, imagination, and borrowed tales from other cultures. The 'Keping' Prints Edition is a visual semiotic excerpt from the Original artwork of 'Miss Cai', illustrating a way of evaluating these storytelling fragments as investigative material that needs to be frequently dismantled and recontextualized, to find an authentic voice.

—Melissa Sunjaya

Hand-printed serigraphy textiles on unbleached (chlorine-free) cotton canvas, using eco-friendly water-based inks. For the handbags and accessories category, unless otherwise noted, each textile is protected with water-resistant Poly-Urethane coatings. This interior lining is a highly durable water-repellent fabric, created using the most advanced technology from recycled PET bottles and post-consumer materials. Every piece is handmade with fair, sustainable, and ethical practices.

BIEN STRAPS

Melissa designed the Bien Strap as a bag or accessory strap, using a belt fabric specially made by YKK Indonesia for Tulisan in 2012. The herringbone texture on the belt surface provides comfort with a luxurious and sporty feel. Today, the Bien Straps come in various colours and lengths. Furthermore, our Bien Straps are known for using Tulisan's distinctive hook structure that is strong and durable. This metal clasp became Tulisan's speciality. We also offer chain straps in gold, chrome, and gunmetal finishings for optional styling.

To celebrate this creative development, Melissa designed a unique strap packaging in a vintage matchbox style adorned with her signature rooster drawing, as a rooster symbolises power in Java. With this new packaging, the Bien Strap can be a memorable gift for someone special during this year-end holiday season.
