THE ARTIST

Melissa Sunjaya is an experienced designer who holds a degree in Visual Communication Design from the Art Center College of Design in the United States. Before creating Tulisan, she led Bluelounge Design, a creative studio that worked with international clients including Panasonic and Uniqlo. After returning to Jakarta in 2006, Melissa delved into traditional printing methods such as batik and screen printing, nurturing her interest in handmade products. With courage and creativity - in her home garage, she embarked on her creative journey by buying surplus export fabric and manually creating her first products – napkins, aprons, and pillowcases. Melissa's inspiration to combine illustration with everyday products has created a unique legacy of art and craftsmanship at Tulisan.

Sound of Dawn

ORIGINALS &
PRINTS
EDITIONS

The Sound of Dawn collection has become one of the most searched among Tulisan collector's items. As some of you may already know, this year's final Originals edition continues its effort to examine the concept of self-love between opposite polarities in our everyday choices, a topic that dwells inside the heart of everyone.

*tulisan*TM

Printed

Hand-printed serigraphy textiles on unbleached (chlorine-free) cotton canvas, using eco-friendly water-based inks. For the handbags and accessories category, unless otherwise noted, each textile is protected with water-resistant Poly-Urethane coatings. This interior lining is a highly durable water-repellent fabric, created using the most advanced technology from recycled PET bottles and post-consumer materials. Every piece is handmade with fair, sustainable, and ethical practices.

ORIGINALS DICTION TOTE

"Like a conductor who is about to lead a grand symphony, a shiny black cockerel raise itself on to a fence, summoning others to join his sunrise orchestra. The hummingbirds set an opening tune, the daisies dance the cha-cha, while the leaves and the morning breeze sing a soothing ballad."

BIEN STRAPS

Melissa designed the Bien Strap as a bag or accessory strap, using a belt fabric specially made by YKK Indonesia for Tulisan in 2012. The herringbone texture on the belt surface provides comfort with a luxurious and sporty feel. Today, the Bien Straps come in various colours and lengths. Furthermore, our Bien Straps are known for using Tulisan's distinctive hook structure that is strong and durable. This metal clasp became Tulisan's speciality. We also offer chain straps in gold, chrome, and gunmetal finishings for optional styling.

To celebrate this creative development, Melissa designed a unique strap packaging in a vintage matchbox style adorned with her signature rooster drawing, as a rooster symbolises power in Java. With this new packaging, the Bien Strap can be a memorable gift for someone special during this year-end holiday season.
