The interior of the bag uses a highly durable water-repellent fabric. Hand-printed serigraphy textiles on unbleached (chlorine-free) cotton canvas, using eco-friendly water-based inks. Each textile is protected with water-resistant Poly-Urethane coatings. Our hand-made production is certified by the Bluesign® system. This certification is a strict screening, designed to monitor the responsible use of resources, clean work processes, wastewater management, healthy air ventilation, and safety procedures for the workers as well as a safe final product for the consumer.

**WATCH  
THE VIDEO OF  
HIM PAINTING**

Farand Rasyid Hazfanur is a gifted young painter with a Cerebral Palsy disability. Cerebral Palsy does not prevent Farand Rasyid Hazfanur from augmenting his talents in contemporary art. This birth condition prompts severe life challenges. Farand endures disabilities in mobilising almost all of his body parts and in speaking. Despite these difficulties, Farand discovers his passion for painting. He became a Tulisan artist in residence in 2020.

TULISAN AIR 2020 (TULISAN Artist In Residence) is a program dedicated to creating a sustainable cycle of art edition for inspiring artists. Our core objective is to support and nurture the artist's potential during this residency period. We curate the artwork to manifest a collection of limited edition prints, from Giclée to other wearable art pieces which light our homes and delight our souls.
