LUNA TOTE

The moon goddess Luna wove magical strings of lights every night while listening to the humans' dreams. The woven lights were her answers to our deepest wish. She sent so many shining threads to protect the kind souls on earth that, during some nights, we could only see a small part of her in the sky. Even when pitch dark, her loom was constantly spinning hope and serenity for humankind.

Hand-printed serigraphy textiles on unbleached (chlorine-free) cotton canvas, using eco-friendly water-based inks. For the handbags and accessories category, unless otherwise noted, each textile is protected with water-resistant Poly-Urethane coatings. This interior lining is a highly durable water-repellent fabric, created using the most advanced technology from recycled PET bottles and post-consumer materials. Every piece is handmade with fair, sustainable, and ethical practices.
