DASA

2021

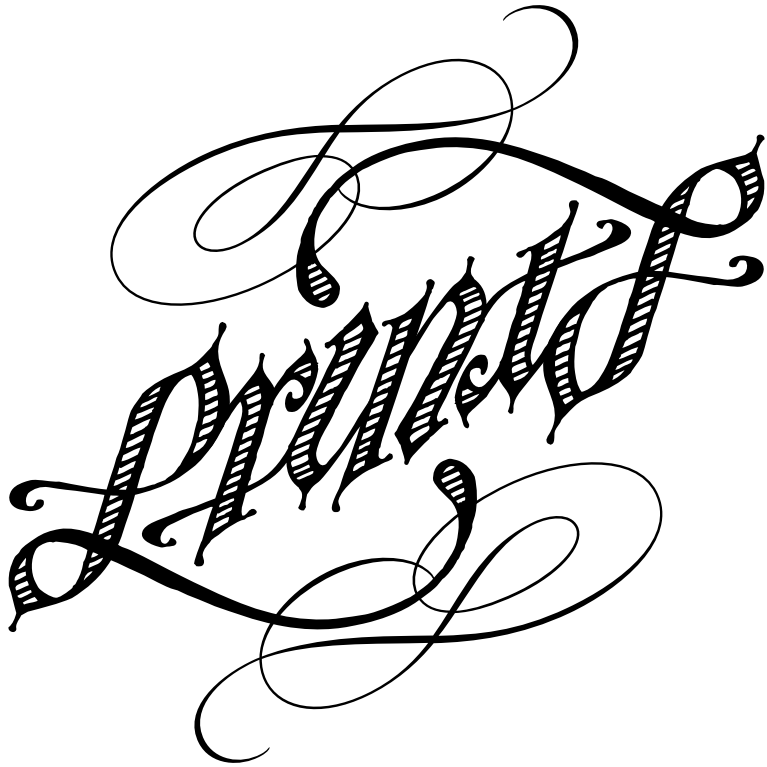

Melissa Sunjaya

'Pete' collection is inspired by a bean plant used in many Indonesian dishes. The collection encompasses hand-screened canvas bags, totes, wallets, purses, compartments, pouches, and accessories. 'Pete' has become one of the most coveted art by Tulisan's collectors. This edition is an illustrated fragment of 'Sound of Dawn', a visual essay that examines the concept of radical self-love.

Koleksi 'Pete' terinspirasi dari tanaman kacang-kacangan yang dipakai dalam banyak makanan Indonesia. Koleksi ini terdiri atas tas, dompet, kompartemen, kantong, dan aksesoris dari kanvas yang disablon dengan tangan. Edisi ini merupakan salah satu karya yang paling sering dicari oleh kolektor Tulisan. 'Pete' merupakan fragmen dari koleksi 'Bunyi Fajar', suatu esai visual yang meninjau konsep tentang cinta radikal terhadap diri sendiri.

Hand-printed serigraphy textiles on unbleached (chlorine-free) cotton canvas, using eco-friendly water-based inks. For the handbags and accessories category, unless otherwise noted, each textile is protected with water-resistant Poly-Urethane coatings. This interior lining is a highly durable water-repellent fabric, created using the most advanced technology from recycled PET bottles and post-consumer materials. All the zippers of our DASA collection use YKK NATULON®, also made from recycled post-consumer materials. Every piece is handmade with fair, sustainable, and ethical practices.
