AIR

FARAND RASYID HAZFANUR

Farand Rasyid Hazfanur is a gifted young painter with a Cerebral Palsy disability. Cerebral Palsy does not prevent Farand Rasyid Hazfanur from augmenting his talents in contemporary art. This birth condition prompts severe life challenges. Farand endures disabilities in mobilising almost all of his body parts and in speaking. Despite these difficulties, Farand discovers his passion for painting. He became a Tulisan artist in residence in 2020.

TULISAN AIR 2020 (TULISAN Artist In Residence) is a program dedicated to creating a sustainable cycle of art edition for inspiring artists. Our core objective is to support and nurture the artist's potential during this residency period. We curate the artwork to manifest a collection of limited edition prints, from Giclée to other wearable art pieces which light our homes and delight our souls.
