We have made a wonderful improvement on the design of our Concerto Purse. With 2 adjustable mini fasteners, you can attach this purse to your bicycle's handlebar or its side bar. Its spacious compartments are practical for storing a wallet, a water bottle, a hand towel, and mobile devices. If you practice yoga, the mini fasteners are also useful for carrying yoga mat.

Kami telah membuat peningkatan yang sangat baik pada desain Concerto Purse kami. Dengan 2 sabuk pengikat kecil yang panjangnya dapat disesuaikan, Anda dapat memasang tas ini ke bagian stang sepeda atau palang sampingnya. Kompartemennya yang luas serta praktis dapat menyimpan dompet, botol minum, handuk tangan, dan perangkat seluler. Jika Anda berlatih yoga, sabuk pengikat mini ini juga berguna untuk membawa matras yoga.

Hand-printed serigraphy textiles on unbleached (chlorine-free) cotton canvas, using eco-friendly water-based inks. For the handbags and accessories category, unless otherwise noted, each textile is protected with water-resistant Poly-Urethane coatings. This interior lining is a highly durable water-repellent fabric, created using the most advanced technology from recycled PET bottles and post-consumer materials. All the zippers of our DASA collection use YKK NATULON®, also made from recycled post-consumer materials. Every piece is handmade with fair, sustainable, and ethical practices.
