

SIZE GUIDE

To accurately measure, print at "100% scale" or "Actual Size" (uncheck "page scaling").

If your credit card fits in this box, your print scale is correct.

STEP 1:

Print template on 8.5x11" paper at 100% scale

STEP 2:

Cut along the dotted line

STEP 3:

place template against a wall on a hard-surfaced floor

STEP 4:

Notice the foot measurement at the longest toe

STEP 5:

Measure both feet

NOTE: In most cases, we fit a new shoe approximately ½-1 size up to accommodate for growing room.
