Performance Upright Cycle

TOUCH CONSOLE

U-PS-TOUCH

Give members the feel of a real outdoor ride with the unmatched performance and durability of our Performance Upright Cycle. Race-inspired design makes intense workouts more comfortable and accessible, giving true cycling enthusiasts a ride to remember. Additionally, a range of advanced design features minimize service time and maximize product placement options.

WiFi-enabled Touch Console features an app-based interface that mirrors familiar smartphone and tablet operating systems, making it easy for members to connect to the content that keeps them moving.

Note: Products with Touch Console must be connected to a power source.
