

	OPERATION	USE:
PULL-LH		Outside of left hand reverse door or inside of right hand.
PUSH-LH		Outside of left hand door or inside of right hand reverse.
PULL-RH		Outside of right hand reverse door or inside of left hand.
PUSH-RH		Outside of right hand door or inside of left hand reverse.

" Please note that a left hand push paddle can be used as a right hand pull paddle; or a right hand push paddle can be used as a left hand pull paddle by turning over and reversing the paddle from its original mounted position. However, it is preferable that you purchase the exact unit that you require. "
