

# SHOCK COMPATIBILITY

## 09.11.2023

Shocks from many different manufacturers will fit the RAAW Madonna V2.2. However, we can not guarantee that all shocks with large and wide piggy-backs will fit, especially in size small and medium. When you have successfully assembled the shock, please check the free movement of the suspension by letting the air out completely.

not compatible	only 205*60mm	no known issues	no data
