#### SUBSTANCE ABUSE POLICY

- It is the policy of Dubai Municipality that lifeguards shall not use prescribed or overthe counter substances that would impair their ability to perform their duties safely. This includes illegal drugs, controlled substances (including trace amounts), lookalike drugs, designer drugs, or any other substance that may have an effect on the human body of being a narcotic, depressant, stimulant, or hallucinogen.
- An exception to this rule is that a lifeguard may use such a substance or drug if a licensed medical practitioner who is familiar with the lifeguard medical history and all assigned duties, and who has advised the lifeguard the prescribed substance prescribes it will not adversely affect his ability to carry on his duties safely.

#### **DISCIPLINARY POLICY**

LSC Committee is responsible for establishing and implementing standards of conduct, such as ethical standards and policies and procedures for disciplinary action. Grounds for revocation of certification status shall include, but not be limited to, the following:

- 1. Period of certification exceeded without renewal
- 2. Evidence of falsification of any information on any documents submitted to certifying authority or its agents
- 3. Evidence of non-compliance with LSC Substance Abuse Policy
- 4. Evidence of culpability in an accident during certification period
- 5. Evidence of non-compliance with medical requirements
- 6. Evidence of non-compliance with the Code of Ethics

The complaints procedures have been designed to ensure that only valid and actionable complaints are investigated and considered. These procedures also ensure that all parties involved in the complaint have an opportunity to document circumstances warranting the complaint and to respond to the complaint.

#### **CODE OF ETHICS:**

below:

Certified lifeguard must comply with Code of Ethics during their certification, as set forth

As a certified lifeguard, I will perform my work in a manner:

- 1. Free of bias with regard to religion, ethnicity, gender, age, national origin, and disability
- 2. Place the safety and welfare of public, workers associated with facility operation above all other considerations
- 3. Protect nearby general public property and the environment
