

DID YOU KNOW THE WATTBIKE HUB IS FREE, AND CAN DO ALL THIS?

- 👤 PERSONALISED COACHING
- 📊 REAL-TIME INSIGHT
- ❤️ WORKOUTS SUITED FOR EVERYONE
- 👉 TECHNIQUE IMPROVEMENT TOOLS
- 🔗 SEAMLESS CONNECTIVITY
- ➕ 50+ WORKOUTS
- ⚡ 23 CLIMBS (ATOMX ONLY)
- 🕒 9 FITNESS AND PERFORMANCE TESTS
- 📅 13 TRAINING PLANS

Targeted, effective training requires precise and accurate data. Download the free Wattbike Hub app to track performance and set goals. Thousands of data points from every session are uploaded to the Wattbike Hub account, giving you and your clients real-time insight you can trust.

HOW TO USE THE WATTBIKE HUB ON THE PRO/TRAINER* :

- STEP 1** Download the Wattbike Hub from your app store ([Google Play Store](#) or [Apple Store](#))
- STEP 2** Turn on your device (smartphone, tablet, smart TV, etc.) and enable Bluetooth
- STEP 3** Log in/create an account on the Hub app and fill in the profile information
- STEP 4** Select your workout, or Quick Ride and press Play
- STEP 5** On the top right corner, select the Wattbike bike ID from the list shown.
- STEP 6** Press Play on the workout, and follow the on-screen instructions

*The Wattbike Hub app is integrated in the Performance Touchscreen of the Wattbike AtomX and Nucleus, where members and clients can easily create a profile, log in, and gain access to all Wattbike training content.
