

BLAZE HORIZONTAL SLIDER

BLAZE HORIZONTAL SLIDER

3

Remove the 2 silver screws from the top of your BLAZE lighting fixture. Now screw the MOUNTING BLOCK onto the BLAZE lighting fixture using SILVER SCREW (PART C). Refer to Fig C for correct orientation. Repeat on the other side with the second MOUNTING BLOCK.

Fig. C

4

Carefully slide your BLAZE lighting fixture by aligning the NUTS of the MOUNTING BLOCK into the tracks of your RAIL MOUNTING SYSTEM (sold separately).
*NOTE: The easiest way of doing this is by laying the BLAZE lighting fixture on a flat surface and sliding the RAIL into the fixed MOUNTING BLOCKS. Refer to Fig D.

Fig. D

5

You may now assemble the 2 SIDE MOUNTS of your RMS and proceed to install over your aquarium. Refer to Fig E.

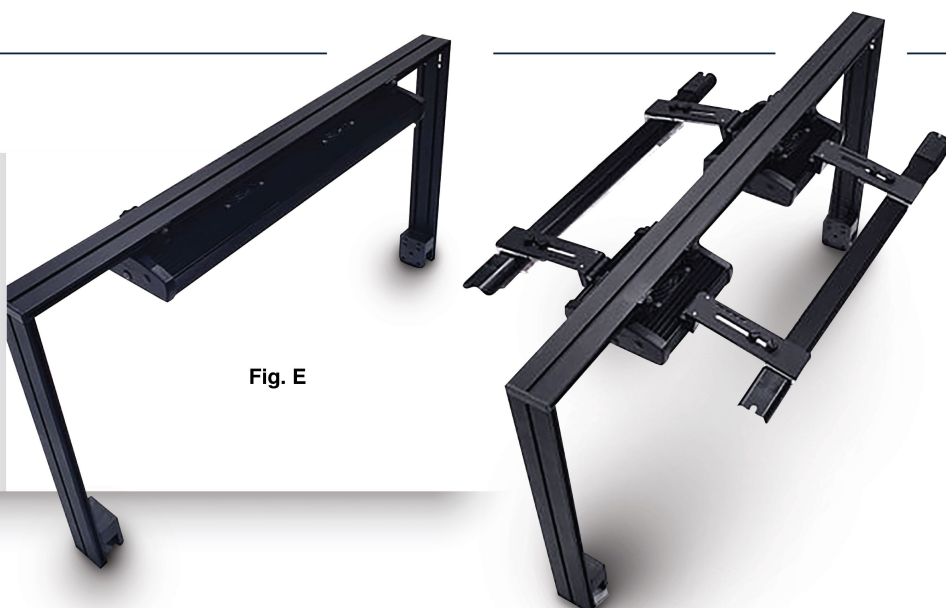

Fig. E

**Vitamins strip lighting and rotatable mounts sold separately.*
