

CARDOSTONE (2 cm)

OUTDOOR

A colour body porcelain collection inspired by the traditional Cardoso stone of the Italian Alps, Cardostone features the distinctive veins of Cardoso stone and the uneven surface recreates the appearance of the original stone's texture.

Highly anti-slip (R11), easy to clean, and also suitable for both indoor and outdoor use, Cardostone perfectly compliments any contemporary space.

Available in four natural colours – grey and anthracite as well as beige and white.
