Carpet
Midnight Sun

Midnight Sun

Coordinates with Polar Breeze.

With a continuous, cross-hatch design, Midnight Sun complements the colours and textures of the Polar Breeze collection. Inspired by the transitional phenomenon of the midnight sun at dusk, the design reflects the passing of time through a repeated, scattered pattern.

- + 100% recycled BaseZero backing
- + Coordinates with Polar Breeze
- + Ideal for creating feature areas
- + On-trend colour ways

Tile
500 x 500 x 5mm

Our BaseZero carpet tile backing is made from 100% recycled materials and contains zero toxins. It is completely recyclable as part of our LoopBack initiative*.

The warranty covers manufacturing defects and premature wear in the event of normal use.

* Our LoopBack scheme enables carpet tiles to be uplifted from site, cleaned and reused in non-critical locations to extend their useful life.
