CTET 2022

Paper-1 Score 126

I decided to prepare for CTET exam in October 2022, and started moving towards teaching profession. I prepared from BYJU'S Exam Prep channel on youtube and I had some PDF from the app. Maths classes were really helpful for me as Kamaldeep sir taught really well and I got my basics strengthened.

Geetika Routela

CTET 2022

Paper-1 129 & Paper-2 124

The classroom program of BYJU'S Exam Prep is really helpful as it keeps all the lectures organized. I could keep track of my classes, got notes and quizzes after the class. I was weak in Hindi pedagogy but Akansha ma'am classes were helpful. The best thing about BYJU'S Exam Prep is its mega mock challenges.

Pallavi Singh

CTET 2022

Paper-1 113 & Paper-2 121

BYJU'S Exam Prep faculty were too good. They helped me understand all the basic concepts so easily. Mock test scores were so perfect, they helped me understand the strengths and weaknesses in the areas and focus more on weak areas. I practiced questions of every subject daily with youtube.

Md Salman Raghiv

CTET 2022

Paper-1 113 & Paper-2 124

I found BYJU'S Exam Prep faculties very experienced and knowledgeable. I have learned CDP from Deepali Ma'am and Hindi from Vivek sir. Their mock test was really worthwhile, the level of the mock test was exactly same as actual CTET paper. It helped me a lot in increasing my performance as they give a good analysis.
