

ENDURO™

CHLORINATOR

RELIABILITY • PERFORMANCE • VALUE

- ✓ Low Maintenance
- ✓ Neva Run Dry™ (Pump Protection)
- ✓ Self Cleaning Electrode
- ✓ Adjustable Chlorine Control

Poolrite's Enduro Chlorinator is manufactured with high quality materials to create robust and reliable water care technology.

Poolrite's range of salt chlorinators is recognized by pool and spa professionals as one of the most reliable and robust salt chlorinator systems available.

The reliability has now been incorporated into a low cost, reverse polarity, self cleaning salt chlorinator - Enduro Chlorinator.

The Enduro Chlorinator simplifies the operation and functionality to provide a low cost, low maintenance salt chlorinator suitable for most swimming pools.

Poolrite recommends using

Revive
a mineral pool for everyone

World's first scientifically proven transdermal multi-mineral absorption formula for swimming pools
