

"S" SERIES CALORIMATOR

- ✓ Built in pH Control (Compatible with S Series pH Kit)
- ✓ Neva Run Dry™ (Pump Protection)
- ✓ Variable Sanitiser Output
- ✓ Mineral + Salt Level Monitor

Poolrite S Series Chlorinators combine intelligent automated software with a user friendly interface to provide unparalleled water care technology.

The S Series Chlorinator is the culmination of Poolrite's experience with both magnesium and sodium salts.

Poolrite pioneered and developed mineral systems over a number of years. The technology behind this research has been combined into the S Series Chlorinator MMS, to allow seamless operation in both NaCl and MgCl pools.

Fully self cleaning, the S Series Chlorinator requires minimal maintenance, when matched with the S Series pH Kit gives you built in pH control.

Engineered using heavy duty components and a premium electrode the S Series Chlorinator is perfectly suited to the harsh Australian climate.

Poolrite recommends using

World's first scientifically proven transdermal multi-mineral absorption formula for swimming pools

Features

- ✓ Built in pH Control
Compatible with S Series pH Kit
- ✓ Automated Control System
- ✓ Neva Run Dry™ (Pump Protection)
- ✓ Low Maintenance
- ✓ Winter Mode Enabled
- ✓ Variable Sanitiser Output
- ✓ Multiple Operating Modes
- ✓ Mineral and Salt Level Monitor

Specifications

SUITABLE POOL SIZES - S Series

MODEL	S20	S30	S40	S50
Output (g/hr)	20	30	40	50
Cool Water (L)	45,000	80,000	110,000	140,000
Warm Water (L)	40,000	65,000	90,000	115,000

Standard salt or the popular mineral pool options, your choice.

Poolrite S Series pH Pump

'Just Plug & Play'

Your Acid Pump connects directly to the Base of the S Series acid ready chlorinator

Once connected, the pH control board will recognise the acid pump.

The chlorinator's operational algorithm will map the cell size, chlorine output, winter/summer modes, etc.

The unit will then estimate acid dosing needs as accurately as possible.

Warranty

- ✓ 4 years total

Poolrite is an Australian made and owned product of the Evolve Group of companies
