

# PERFECT SEAT

## Seat restorer

**Motorbike, Scooter and ATV saddle cleaner**

**Non-slip formula silicon free**

**Trigger spray**

### **TYPE OF USE**

**Non silicone based cleaner spray for removing incrusted dirt and grime and for protecting motorbike, scooter and ATV saddles.**

Renovating effect, particularly recommended for bringing back the original finish and restoring like-new color and shine to all vinyl saddles.

### **PERFORMANCE**

Removes incrusted dirt and grime.

Brings back the original finish and restores like-new color.

Dries evenly and leaves a protective dry and non-greasy sheen.

Silicon free formula for a non-slip effect on the saddle.

Dust repellent for a long lasting protection.

UV protection to prevent the seat from fading.

Orange perfume.

### **RECOMMENDATIONS**

If the motorcycle seat is very dirty, wash first with MOTUL MOTOWASH.

Shake MOTUL PERFECT SEAT before use.

Spray from a distance of 20 cm.

Leave to dry for a few moments.

Polish with a soft and dry cloth to obtain a perfect finish.

**CAUTION** : Do not use the product on leather.

### **SECURITY**

Refer to the MSDS sheet and the information mentioned on the trigger spray.
