

Chrome & Alu Polish

Cleans, restores and shines chrome and aluminium parts

White Colour

Cream in tube

TYPE OF USE

MOTUL Chrome & Alu Polish is a cream which cleans, restores, and shines chrome and aluminum parts on the bike.

When chrome and aluminum parts of your bike are tarnished, MOTUL Chrome & Alu Polish restores them and makes them look like new.

Suitable for all types of motorcycles.

PERFORMANCE

Cleans, restores and polishes without damaging the treated surfaces.

Suitable for all kind of chromes and aluminums.

Keep the aspect as new for long.

RECOMMENDATIONS

Apply a dab of cream on a soft cloth and spread evenly over the entire surface.

Shine with the cloth in a circular motion until it is clean and shiny.

Not intended for use in other than described application.

SECURITY

Refer to the MSDS sheet and the information mentioned on the tube.
