

Wash & Wax

Dry cleaner

Cleans and shines up plastic parts and paints

Spray

TYPE OF USE

Wash & Wax is the dry cleaner for your MOTORCYCLE. Thanks to its exclusive formula, it cleans and protects motorcycle bodies without water : fairings, rims, frames, swingarms.

1/ Easy to use, Wash & Wax wipes clean all surfaces in depth without using water or rags: removes mud, dirt and others stains.

2/ Deposits a protective wax film for extended effectiveness. Enhances body shine.

PERFORMANCE

Wash & Wax cleans and shines up all surfaces in depth without using any water:

Removes mud, dirt and others stains.

Easy to use.

Leaves a protective wax film for extended effectiveness.

RECOMMENDATIONS

Spray Wash & Wax directly on the surface to clean.

Scrub with a soft rag clean and dry.

SECURITY

Refer to the MSDS sheet and the information mentioned on the spray.
