# LOUNGE CHAIR

simplicity  
natural - purely

Wabi-sabi is a style that is colder than sexuality. It does not need bright colors to show off, and there is no strong impact color. Earth colors are often used as basic colors. Beige and advanced gray are also commonly used tones. Dryness and simplicity are the essence of design conveyed by the wabi-sabi style.

Wabi is simplicity,  
Silence is precipitation.

# SOFT BED

simplicity  
natural - purely

Warm colors and textures blend harmoniously, and the overall space is simple but not simple, creating a comfortable and stress-free space. The overall design implements the principle of minimalism, making the space wider and brighter visually.

Wabi is simplicity,  
Silence is precipitation.

# HARDWARE PLANK

simplicity  
natural - purely

The soft color system with low saturation is a wabi-sabi color scheme. Although it is not flashy, it has a unique charm. Although it is simple to match, it has its light luxury, which outlines a quiet and high-end home atmosphere.

Wabi is simplicity,  
Silence is precipitation.
