# VBS CHARACTER GUIDE

## TEACHER RESOURCE

Teachers, you can use these characters to explain the VBS lessons and Scriptures!

### Here are some examples:

#### **Example 1:**

You may have a gift like Olivia, with her love of books and her dreams of becoming an author. That's great! Don't be ashamed of studying your favorite subjects in school or learning something new, just as you shouldn't be ashamed of learning more about Jesus and how to take your goal from vision to reality by Winning God's way.

#### **Example 2:**

You may love technology like our friend, Diggs. However, don't let your love of video games and computers become idols. Don't put material things before God. He's the one we should worship, not stuff. Also, remember that you can use technology in many ways as a tool to fulfill God's mission. Discuss ways you can use technology to spread God's Word.

#### **Example 3:**

When we have wonderful teachers like Miss Tulani in our lives it is vital that we pay attention. Our favorite teachers may teach us something that we can take with us for the rest of our lives. Jesus, also a teacher, taught many lessons in the Bible. Those lessons are still vital to us today. When we embrace learning new things, we can discover amazing information, opportunities, and adventures!

# FROM VISION TO REALITY: WINNING GOD'S WAY

## **Miss Tulani**

Hi! I'm Miss Tulani! I teach third grade at a local elementary school, and I also teach third-graders in Sunday school.

Vacation Bible School is one of my favorite times of the year because I get to meet new students and teach them about Jesus. Some of the kids don't know much about Jesus, and I like telling them how much He loves them and all of us. All the kids love my class. My room is always colorful and beautiful. I make learning fun and really get involved with my students to help them learn ways to worship God.

## **Olivia**

Hello! I'm Olivia. I'm eleven years old, and my favorite school subject is English. I like reading, riding my bike, and pizza parties with the kids at church. I won the spelling bee at my school last year. I want to be an author. My favorite times are helping my grandfather tend the garden he has every summer. I love my parents and my three sisters, but I love Jesus most of all.

## **Diggs**

Hi! I'm Diggs. I'm twelve years old and I love anything technical. I collect gadgets, take them apart, and figure out how to use them to create other gadgets, like the aquarium fish feeder I made using an old smartphone and a few other random parts. I love playing basketball and spoken word competitions. People at church always tell me I'm going to be famous someday. But my mom always tells me to trust Jesus to guide me the right way.

## Trevor

Hi! I'm Trevor. I'm nine years old and a champion soccer player. I collect spiders and exotic insects. I'm learning to speak Spanish from Carlos' mother, and I want to travel the world. I have a new baby brother named Jackson. I always ask Jesus to help me be the kind of big brother that Jack can look up to.

## Carlos

Hey! I'm Carlos. I'm seven years old and I play baseball in the church sports league. I really care about the environment and actually created a battery using baking soda and other ingredients. I'm learning to speak Korean from Kym's grandmother. I like to help my father with projects around the house. My dad is a doctor, and he helps to heal people. He says Christians have to heal and help people, just like Jesus was a healer.

## Kym

Hi, there! I'm Kym! I'm five years old and I love to collect all kinds of sneakers so they can match my outfits. My favorite things to do are singing in the children's choir and playing basketball. My team wins every time my classmates and I play basketball for fun. I'm glad God gave us feet so I can wear cool shoes while I'm walking with Jesus!

## **Angel**

Hello! I'm Angel! I'm seven years old, and my favorite thing to do is paint beautiful pictures of nature! I love to go to the park with my mother, and my best friend, Olivia. She sets up my canvas and my many paint colors. I paint all the beautiful people, birds, and animals that we see around us. I know that God loves me because He has created such an amazing, beautiful world for me to paint!

## Martin

Hi! I'm Martin. I'm eight years old, and I love to do magic tricks. One of my favorite things to do is watch watch online videos about how to master new magic tricks. My friends call me Magic Marty! I use magic to tell people about Jesus and His love. My parents named me after a great man, Dr. Martin Luther King, Jr. My parents always tell me that I will do great things for God one day, just like Dr. King!

## **T.J.**

Hello! I'm T.J.! I'm six years old, and I'm a guitar player. I've been taking guitar lessons for one year, and I really love to play. My mother bought me a guitar that was just the right size to fit me. My favorite songs to play are the songs that I hear at church. I love to play songs for Jesus with my guitar! I've always wanted to learn how to play other instruments too. When I grow up, I want to be a Christian musician and help spread the Gospel of Christ throughout the world!

## Erin

Hey! I'm Erin! I'm nine years old and love to ride dirt bikes. I compete in motocross events all around my town. I like to ride for fun, but I'm still one of the best riders in my age category. I love riding over the big jumps and landing them! I want to become a professional motocross rider and win championship races. I always pray before a race that God will keep me safe. I always obey the rules and I don't try anything silly. I always give God the glory for giving me the talent to compete in races.

## **Elijah**

Hello! My name is Elijah. I'm five years old, and I love playing soccer. When I grow up I want to be a professional soccer player! I also love playing video games with my twin sister, Kayla.

## Kayla

Hi! I'm Kayla. I love finishing puzzles with my twin brother, Elijah. I also love figuring out how to make things work! When I grow up I want to be a software developer who designs technology that helps people.
