Please print this page at $100 \%$ scale and make sure the measurement is correct.

To ensure the page is printed at $100 \%$ scale, please compare the ruler below with an actual ruler and confirm they match.

2

Carefully, cut the outline of the ring sizer found below and make a slot by cutting along the dotted line.

3

Pass the tip of the pointer through the slot.
Place the ring sizer around your finger.
Pull the pointed end slightly so that it fits comfortably on your finger.
Your approximated ring size should be the number closest to the opening.
