

Our **Field Trauma Kits (FTK)** contain the equipment you need to effectively treat a wide range of serious injuries. Each kit comes packed in a waterproof pouch with battlefield-proven components that were developed by **Special Operations Medics**. This includes devices like the **SOF® Tourniquet**, the official tourniquet of the **American Red Cross®**, and the **OLAES® Hemostatic Bandage**, the award-winning trauma bandage with **Hemcon® Chitogauze® Pro built-in**.
