Deodorisers

Cargroomers have developed a range of general-purpose spray deodorisers for the immediate odour control of stale tobacco, food and other offensive odours.

Cargroomers deodorisers are completely compatible with our range of cleaner sanitisers and are specially designed for use where an instant mask and/or long-term odour control is required. These products are highly effective and are easily dispensed through a handheld spray bottle.

Technical Data

Appearance: Colourless Liquid
Boiling Point: 100°C (approx.)
Solubility in Water: Soluble
Specific Gravity: 1.00 g/ml (approx.)
pH: 7.0 (approx.)
